B - 41352-X Multi

A - 37098-16 Cherry

Fabric Requirements:

1 yard 37098-16 Cherry Solid (from Palette)
2 rows 41352-X Multi Label Print or about 15 1/2"

Cutting:

37098-16 Cherry Solid
Cut (1) Rectangle (Block A) 34" x 21" for Apron
Cut (3) strips 2" x WOF (width of fabric) for ties

41352-X Multi Label Print
Cut (1) Rectangle (Block B) 33 1/2" x 15 1/2" for apron pockets

Assembly:

1. Start by 1/4" double-folding the top of Block A for a finished hem.
2. Repeat 1/4" double-hem on top only of Block B. Press in sides about 1/2" or so that you line up the fold with the white line surrounding the blocks.
3. Center the face of Block B on reverse side of Block A lining up the bottom edges. See diagram A
4. 1/4" stitch across the bottom opening. Fold the Block B so that the face is on top of the face of Block A. This will form the pocket. Stitch down the sides of the Block B reinforcing the top edge to form a pocket on the apron. Stitch 2 or 3 more times between the blocks to make smaller pockets as desired. You can also add a stitch at the bottom of the top block to make a shallower pocket.
5. Double hem the sides of the Block A so that it lines up with the Block B edge. Trim the excess seam allowance at bottom corners if necessary. Diagram B
6. Cut one of the 3 tie strips in half. Connect one piece to each of the remaining 2 strips to form 2 lengths. With face sides together, fold length and stitch on end and down long side. Turn and press. Repeat for the other strip.
7. Attach one tie on each side at the top edge of Block A. The apron is finished!
