PROJECT DISCLAIMER: Every effort has been made to ensure that all projects are error free. All the information is presented in good faith, however, no warranty can be given nor results guaranteed. Therefore, we assume no responsibility nor damages that may occur when referring to this pattern. When errors are brought to our attention, we make every effort to correct and post a revision as soon as possible. We suggest you check windhamfabrics.com for pattern updates and to test the pattern prior to making the project. Test templates first, before cutting all the pieces. Free projects are not for resale.

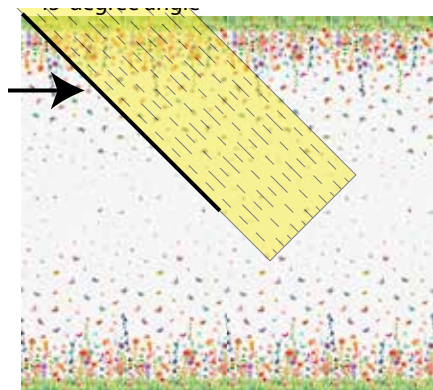

Butterfly Frolic

CUTTING THE TRIANGLES

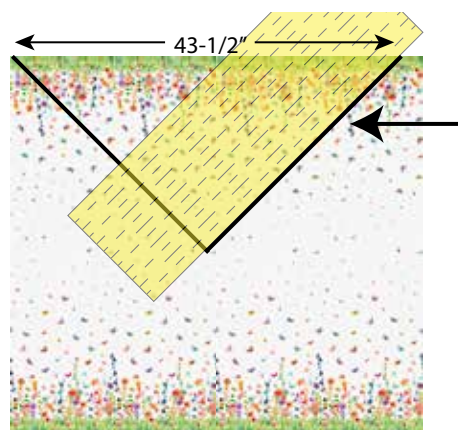

1. Lay out the **A** yardage flat on a cutting table and trim selvage off both edges. Starting in (1) corner, position a 24" long ruler to create a 45-degree angle. Cut approximately 31" along the ruler across the fabric (you'll need to move the ruler as you cut). Note: Do not cut longer than 31", as in step 3 you'll be cutting a triangle from the opposite long edge of the fabric.

2. Measure 43-1/2" along the long (top) edge of the triangle and position the ruler to create a 45-degree angle in the opposite direction to intersect the cut in step 1. This creates (1) triangle measuring approximately 30-3/4" along both short edges.

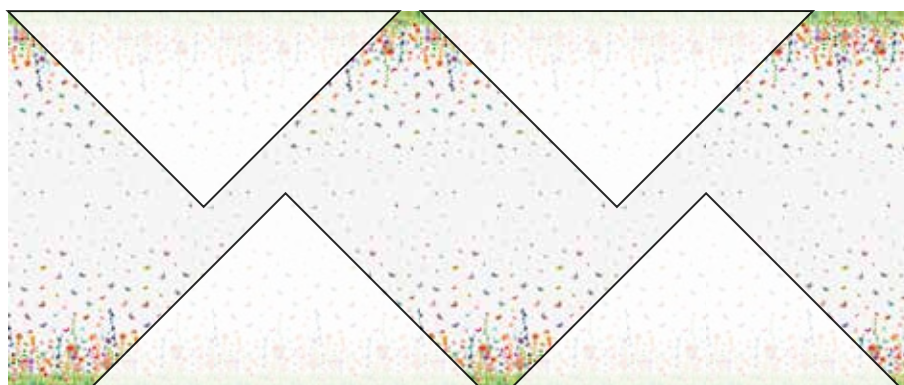

STEP 1

STEP 2

3. Repeat to cut a total of (4) large triangles, cutting (2) from each long edge.

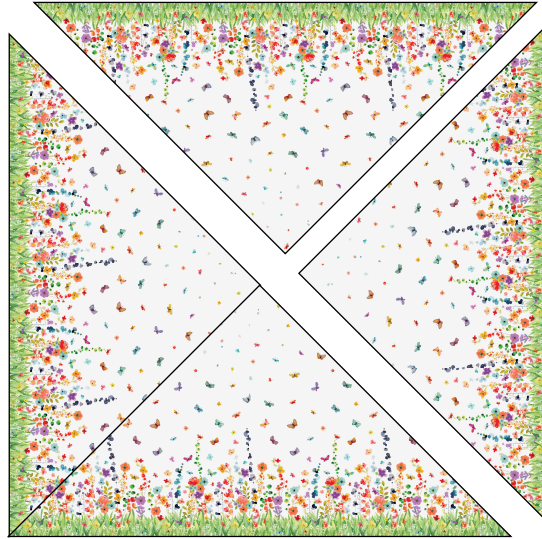

Butterfly Frolic

MAKE THE QUILT

4. Sew **A** large triangles together in pairs along short edges. Make (2) pairs. Sew together to complete the quilt background.

5. Trace (7) butterfly templates onto the paper side of fusible web, leaving 1/2" between shapes. Cut out 1/4" past drawn lines. Fuse (1) butterfly onto the back side of each of fabrics **C-I**. Cut out each butterfly on the drawn lines.

6. Position the butterflies on the quilt background and fuse in place. Use a decorative stitch to secure each butterfly in place.

FINISHING

Layer quilt top, batting and backing together to form quilt sandwich. Baste and quilt as desired. Bind using **B** 2-1/4" strips.
