BLOCK ASSEMBLY

FOLD AT CENTER,
IRON TO CREASE

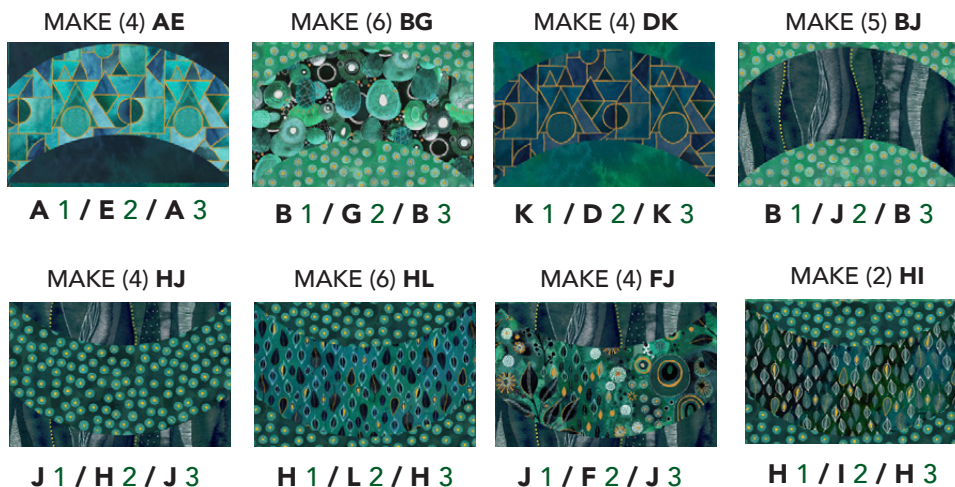

Prepare block assembly by folding all Template 1, 2 and 3 pieces in half as shown. Iron the fold to make a crease in the fabric, marking the exact centers of each template.

1. Gather (1) **K** Template #1 and #3 and (1) **C** Template #2. Place templates in numerical order as shown, moving from top to bottom.
2. Place **K** Template #1 right sides together with **C** Template #2. Pin templates together, aligning the beginning and ends of the templates perfectly when pinning. Sew templates together slowly using a 1/4" curved seam and a slightly smaller stitch length, press outward toward **K** Template #1. *Note **K** Template #1 will appear bunched up before sewing, but will become smooth once sewing begins.*
3. Repeat step 2 to sew **K** Template #3 to the bottom of **C** Template #2, press seams outward toward **K** Template #3. Block should measure 12-1/2" x 8-1/2" unfinished.

4. Similar to Block 1 assembly, make following blocks as shown:

QUILT ASSEMBLY

5. ROW ASSEMBLY: Sew 5 blocks into 8 rows as shown in quilt diagram. Sew rows together to complete quilt center. *Note proper placement and rotation of blocks and rows when pieced.* Quilt center should measure 60-1/2" x 64-1/2" unfinished.

6. BORDER: Sew **J** 3" x WOF strips via short ends and subcut (2) 3" x 64-1/2" strips. Sew (1) strip to long sides of quilt center. From remaining long **J** strip subcut (2) 3" x 65-1/2" strips and sew (1) strip to the top and to the bottom of quilt center.

FINISHING: Layer quilt top, batting and backing together to form quilt sandwich. Baste and quilt as desired. Bind using **B** 2-1/4" strips.
