WINDHAM FABRICS

Coiffure

Page 2

Materials requirements:

Various *Good Hair Day* prints: 1 fat quarter of each of **(18)** prints for patchwork and appliqués (*model features 41241-1 Flame, 41241-2 Night, 41241-3 Blush, 41241-4 Whisper, 41242-5 Caramel, 41242-7 Ruby, 41242-8 Silver, 41243-2 Night, 41243-3 Blush, 41243-9 Cherry, 41243-10 Sea, 41244-11 Blue Jewel, 41244-13 Ash, 41245-2 Night, 41245-14 Red/Blue, 41245-15 Teal, 41246-12 Aqua, and 41246-16 Highlight*)

Neutral or low volume print: 2 yards for background (*model features 41244-8 Silver*)

Backing fabric: 4 total yards

Binding fabric: 1 yard (*model features 41243-2 Night*)

Batting: 68" X 72"

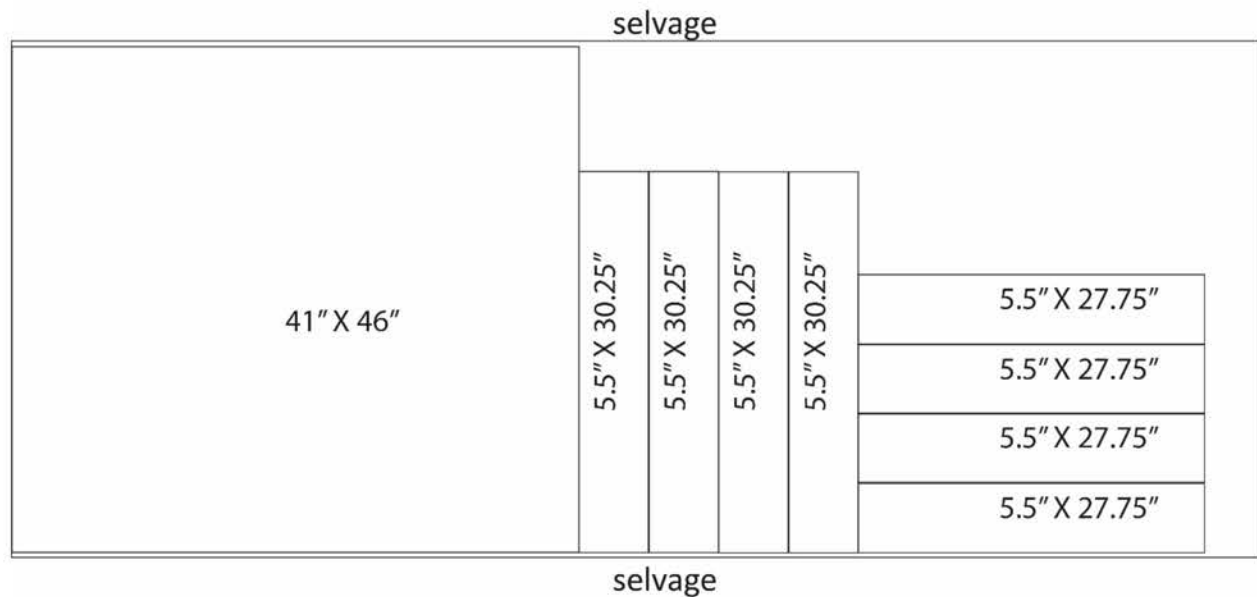

Lightweight Fusible Web: 2 yards 15"-wide web

Cutting instructions:

1. From the Low Volume print (41244-8 Silver), cut: (*see Cutting Diagram*)
 - (1) rectangle measuring 41" wide X 46" long
 - (4) strips measuring 5.5" wide X 27.75" long
 - (4) strips measuring 5.5" wide X 30.25" long

Page 3

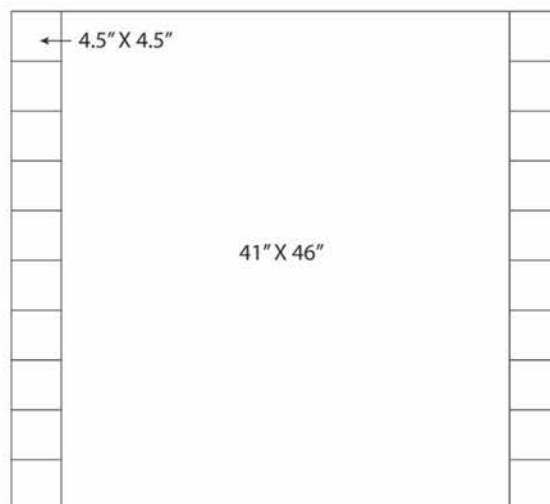

2. From each of the 18 various Good Hair Day prints, cut (3) 5" X 5" squares (for a total of 54 squares; you will use only 42 of these).

Piece the background:

1. Stitch the 5" print squares together into (2) strips of 10 squares each and (2) strips of 11 squares each. The 10-square strips should finish at 46" long, and the 11-square strips should finish at 50" long.

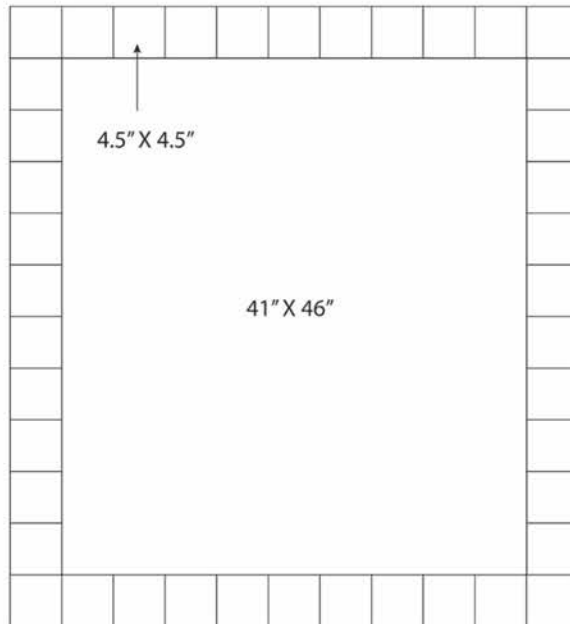

2. Stitch the 10-square strips to both 46" sides of the large Low Volume print rectangle.

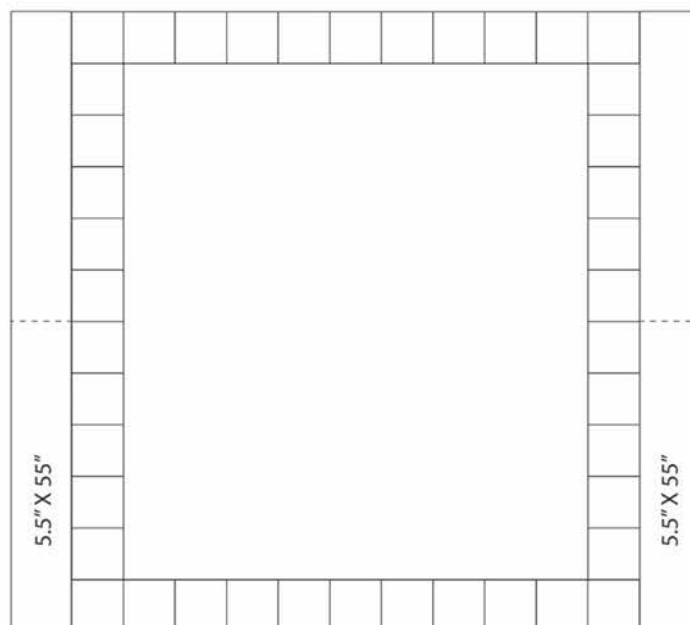

Coiffure

Page 4

3. Stitch the 11-square strips to the top and bottom of the pieced panel resulting from Step 4.

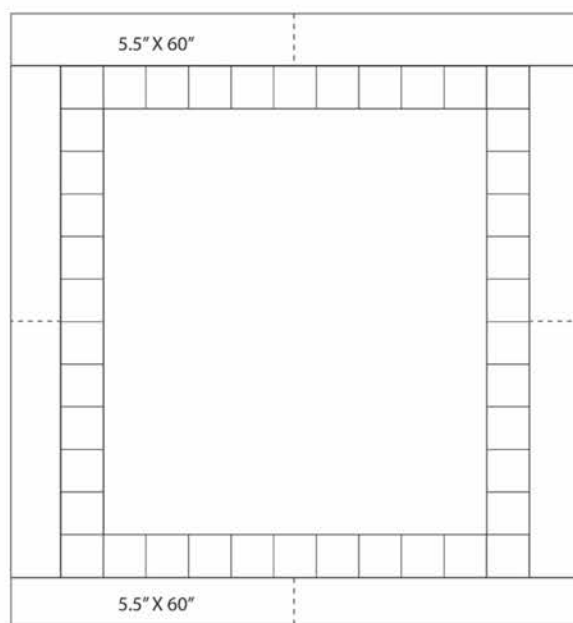

4. Sew two Low Volume print 5.5" X 27.75" strips together along the 5.5" ends to form one long strip measuring 5.5" wide X 55" long. Repeat with the other two 5.5" X 27.75" Low Volume strips (now you should have (2) strips measuring 5.5" X 55"). Stitch these strips to either 55" side of the pieced background panel.

Page 5

5. Sew two Low Volume print 5.5" X 30.25" strips together along the 5.5" ends to form one long strip measuring 5.5" wide X 60" long. Repeat with the other two 5.5" X 30.25" Low Volume strips (now you should have (2) strips measuring 5.5" X 60"). Stitch these strips to the top and bottom of the pieced background panel.

Make and stitch the appliqué:

1. Print the templates for the appliqué; some templates will need to be taped together along the dashed lines (this is indicated on the template). Templates have already been reversed for tracing onto fusible web.
2. Following the manufacturer's instructions, trace the templates onto the paper-backed fusible web. Copy the template letters, fabric specifications, and directional arrows onto each traced template.
3. Cut out the traced templates, leaving a 1/4" margin around the edges.
4. Following the manufacturer's instructions, fuse the traced templates to the **wrong** side of each specified appliqué fabric. If the appliqué fabric has a directional print, align the arrow on the template with the direction of the print.
5. Using very sharp scissors to minimize fraying, cut out the fabric shapes along the traced lines.
6. Following the **Placement Diagram**, place the appliqué on the central background rectangle. Remove the paper backing from the fusible web and pin each appliqué in place as you go.

Page 6

7. When you are satisfied with your layout, use an iron to permanently fuse the fabric shapes to the background, again following the manufacturer's instructions (remember to remove pins before fusing!)

8. Stitch around each shape to secure to background. A zig-zag or machine blanket stitch can be used, using matching thread or invisible thread. A straight stitch can also be used, although this will result in more fraying of the appliqué fabrics along their edges.

Placement Diagram:

Note: Diagram shows only the low-volume rectangle inside of the pieced strips.

Finish the quilt

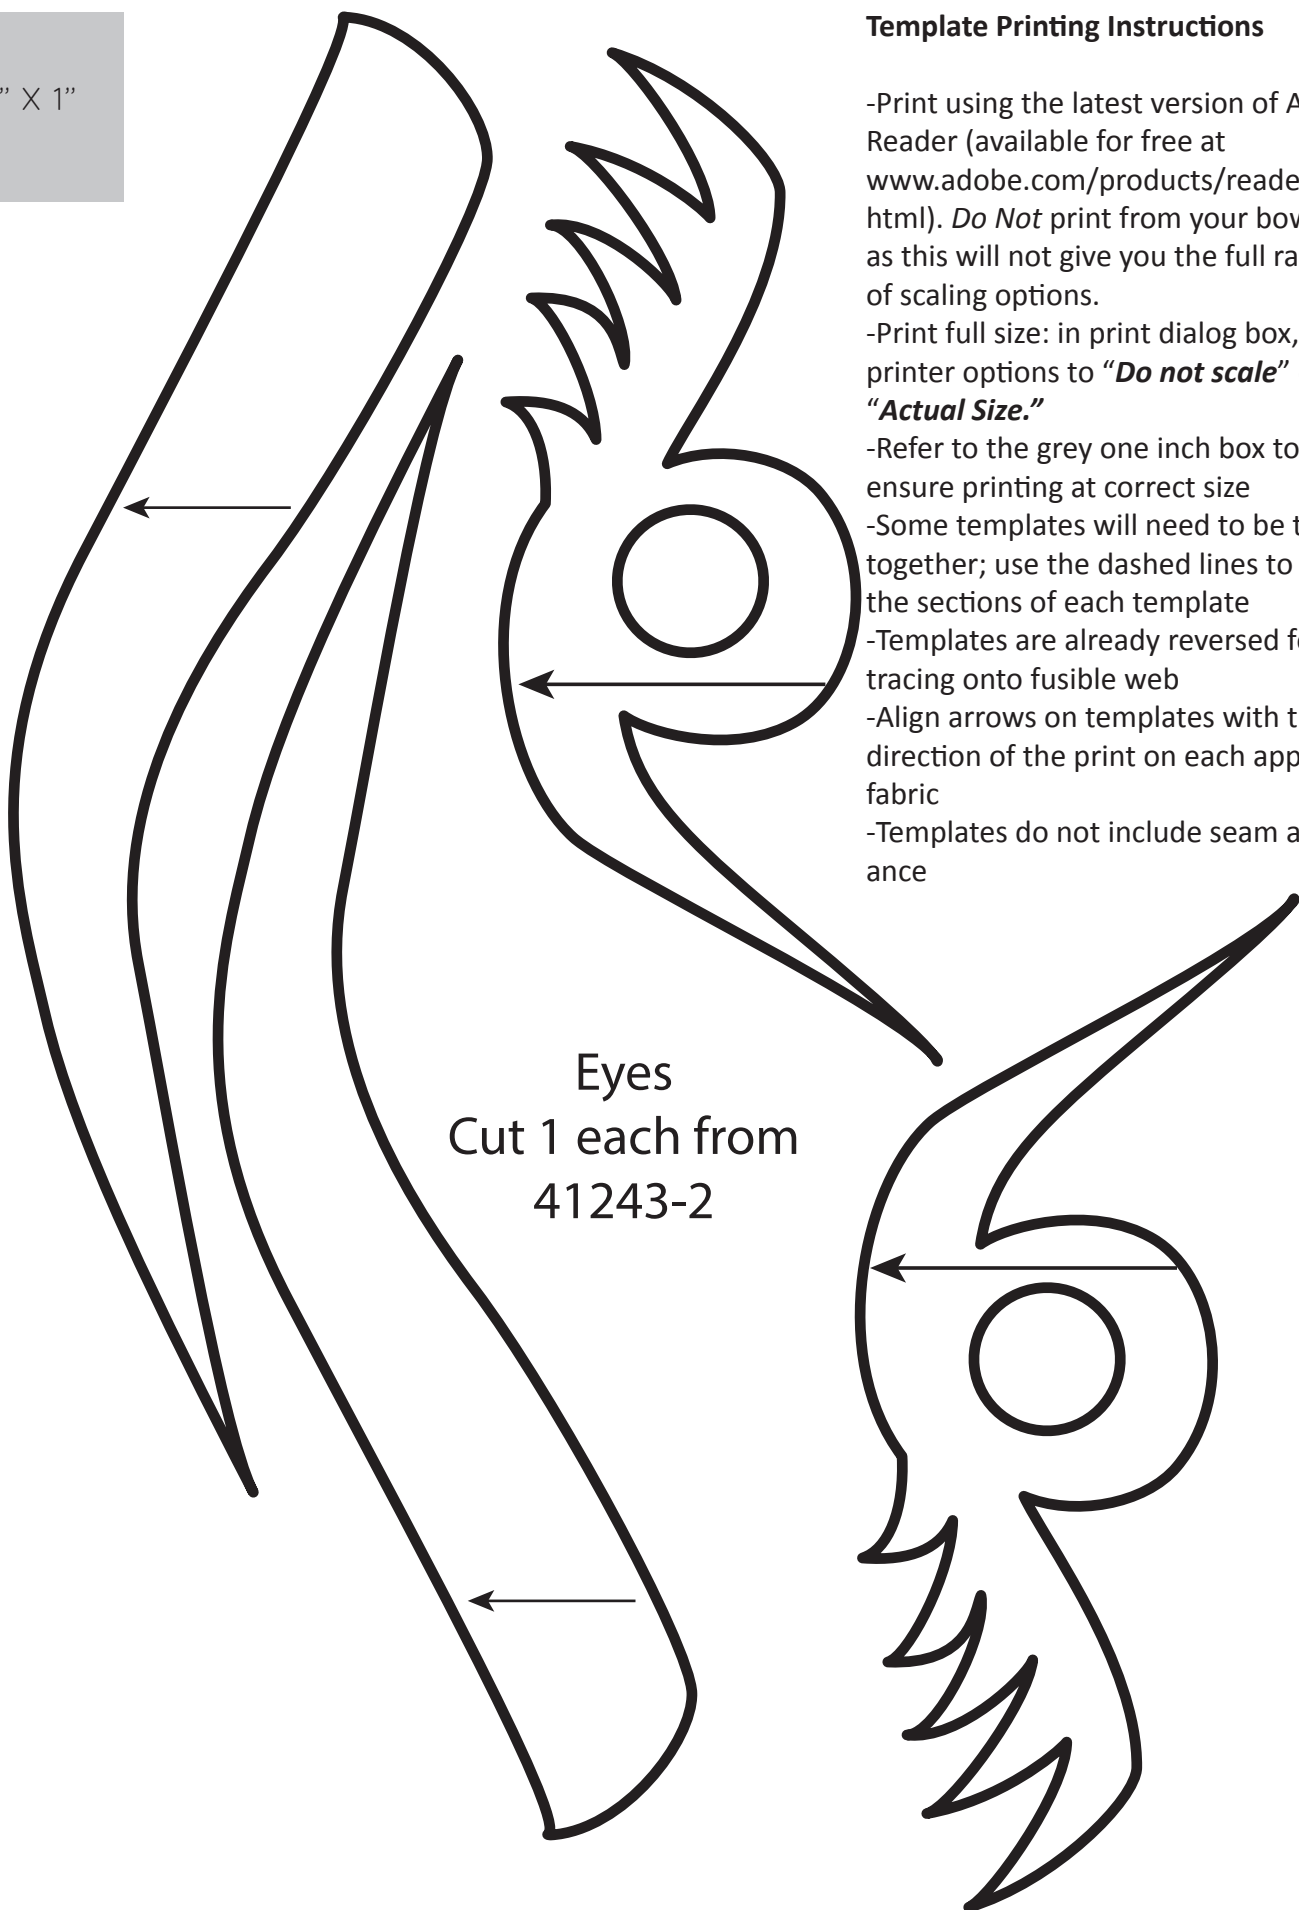

Piece the backing, if needed. Layer, baste, and quilt as desired. Bind using your favorite method.

1" X 1"

Template Printing Instructions

- Print using the latest version of Adobe Reader (available for free at www.adobe.com/products/reader.html). *Do Not* print from your browser, as this will not give you the full range of scaling options.
- Print full size: in print dialog box, set printer options to ***"Do not scale"*** or ***"Actual Size."***
- Refer to the grey one inch box to ensure printing at correct size
- Some templates will need to be taped together; use the dashed lines to align the sections of each template
- Templates are already reversed for tracing onto fusible web
- Align arrows on templates with the direction of the print on each applique fabric
- Templates do not include seam allowance
