Special Notes:

-All seam allowances are 1/4" wide

-Make sure you take your time to cut and sew carefully. With all items that have lots of piecing, your project can very easily become too small / large and you will have trouble later attaching pieces to make the correct size.

-Each fabric has been assigned a letter (A,B,C,...) to make it easier to follow the layout chart. The letters have been subdivided into sections for easier assembly.
