Paper Template Cutting Instructions

(This pattern includes instructions for raw edge appliquéd, therefore the printed template size is the actual size of the finished patch. It is recommended to use raw edge applique to create a textured look for the llama).

- Use scissors to cut out the following templates on the black printed line from the templates pages. The Template Pages are labeled using the following template names.

Llama body (*The Llama body will have 4 separate parts. Use the picture shown on the first template page to piece together the Llama body. Align the black lines on each piece of the Llama body, and tape together to create a whole template*), Llama eyes, Llama eyelids, Llama pupils, (3) Llama eyelashes, Llama hair, Llama ears, Llama nose, Llama mouth, Llama smile, Hat Template 1, Hat Template 2, and Hat Template 3.

Craft Buddy Quilt

Fusible Web Cutting Instructions

- Place templates on the smooth side of fusible web with the templates **wrong side up so that the black printed line and text are facing down and the blank side of paper is facing up. This will allow you to trace a mirror image.** Trace the following quantity of templates onto the smooth side of fusible web with the template wrong side up:

(1) Llama Body, (1) Llama eye, (1) Llama eyelid, (1) Llama pupil, (3) Llama eyelashes, (1) Llama hair, (1) Llama ear, (1) Llama nose, (1) Llama mouth, (1) Llama smile, and (1) of each Hat Template 1, 2 and 3.

- Roughly cut out each template just outside of the traced line and set aside. Cutting Instructions for **Fabrics A-Q** indicate how to fuse and cut out each template. (Appliquéd instructions in this pattern are for raw edge appliquéd.)

- Place templates on the smooth size of fusible web with the templates **right side up so that the black printed line and text are facing up and the blank side of paper is facing down. This will allow you to trace a mirror image.** Trace the following quantity of templates onto the smooth side of fusible web with the template right side up:

(1R) Llama eye, (1R) Llama eyelid, (1R) Llama pupil, (3R) Llama eyelashes, and (1R) Llama ear.

- Roughly cut out each template just outside of the traced line and set aside. Cutting Instructions for **Fabrics A-Q** indicate how to fuse and cut out each template. (Appliquéd instructions in this pattern are for raw edge appliquéd.)

Piecing Instructions

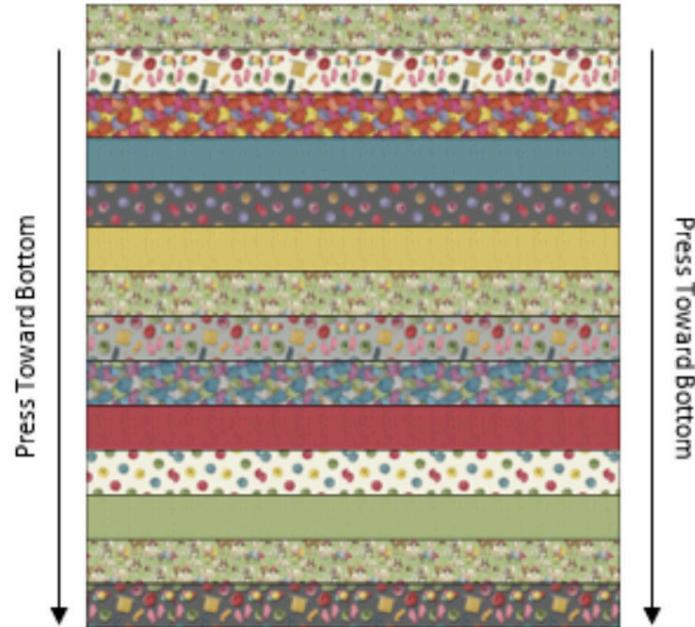

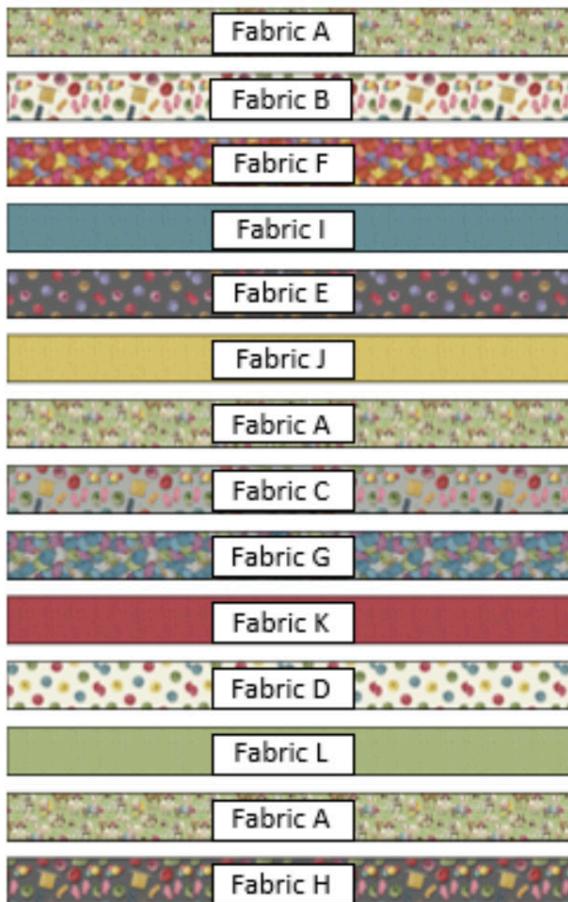

1. Sew together (14) 3" x 30½" strips cut from various fabrics using a ¼" seam to create the quilt top center. Use the following fabric order as well as the diagram shown with fabric labels for the correct fabric placement.

- | | |
|-------------|-------------|
| a. Fabric A | h. Fabric C |
| b. Fabric B | i. Fabric G |
| c. Fabric F | j. Fabric K |
| d. Fabric I | k. Fabric D |
| e. Fabric E | l. Fabric L |
| f. Fabric J | m. Fabric A |
| g. Fabric A | n. Fabric H |

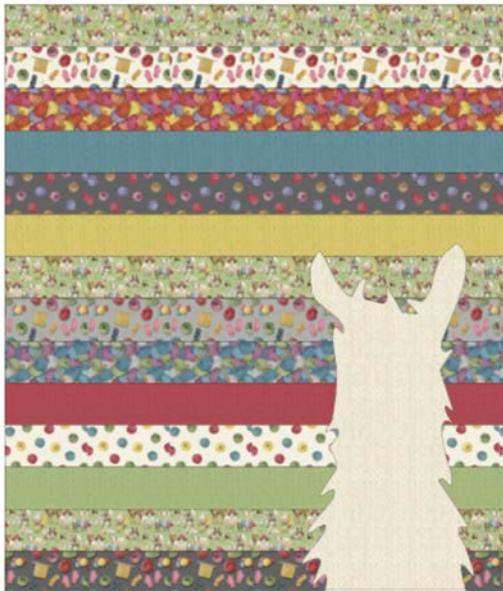

2. Press all seams in the same direction toward the last sewn strip. The quilt top center should measure 30½" x 35½" unfinished.

Craft Buddy Quilt

3. Begin the appliqué process by peeling the paper off of the glue side of the fusible web for all appliqué patches. **Do not iron at this time.** Future instructions give the order in which you fuse each template.
4. Place the Llama body onto the quilt top center toward the bottom right side as shown. The Llama bottom should align with the bottom of the quilt top center. Once you are satisfied with the placement of the Llama, use an iron to fuse it into place.
5. Secure the Llama into place by sewing around the perimeter of the Llama with a straight stitch and similar thread color.

Craft Buddy Quilt

6. Next, place the Llama ears, Llama mouth and Llama eyes as shown. Once you are satisfied with the placement of the Llama's features, use an iron to fuse them into place.

7. Stitch around the features added in Step 6 using stitching methods described in Step 5.

8. Next, place the Llama nose, Llama hair, Llama smile, and Llama pupils as shown. Use an iron to fuse them into place.

9. Stitch around the features added in Step 8 using stitching methods described in Step 5.

10. Next, place the Llama eyelids, and Llama hat templates 1, 2 and 3. Hat templates 1 and 3 should overlap hat template 2. Use an iron to fuse the templates into place.

11. Stitch around the features added in Step 10 using stitching methods described in Step 5.

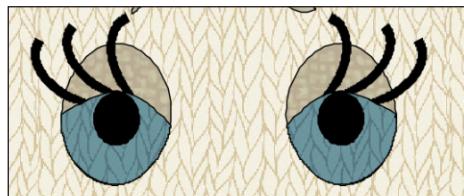

Craft Buddy Quilt

12. Last, add (3) Llama eyelashes to each eye. Use an iron to fuse the templates into place.

13. Stitch the eyelashes down using one straight stitch that runs the length of the eyelash. Use like colored thread and backstitch at the beginning and end of the eyelash.

Quilt Assembly

14. Complete the quilt top by attaching the borders. Begin by sewing (1) $2\frac{1}{2}'' \times 35\frac{1}{2}''$ **Fabric N** strip to the left and right sides of the quilt center. Followed by (1) $2\frac{1}{2}'' \times 34\frac{1}{2}''$ **Fabric N** strip to the top/bottom of quilt center. Press seams toward border.

QUILT ASSEMBLY DIAGRAM

Finishing

15. With the backing fabric laying taut, place batting and then quilt top to form quilt sandwich.

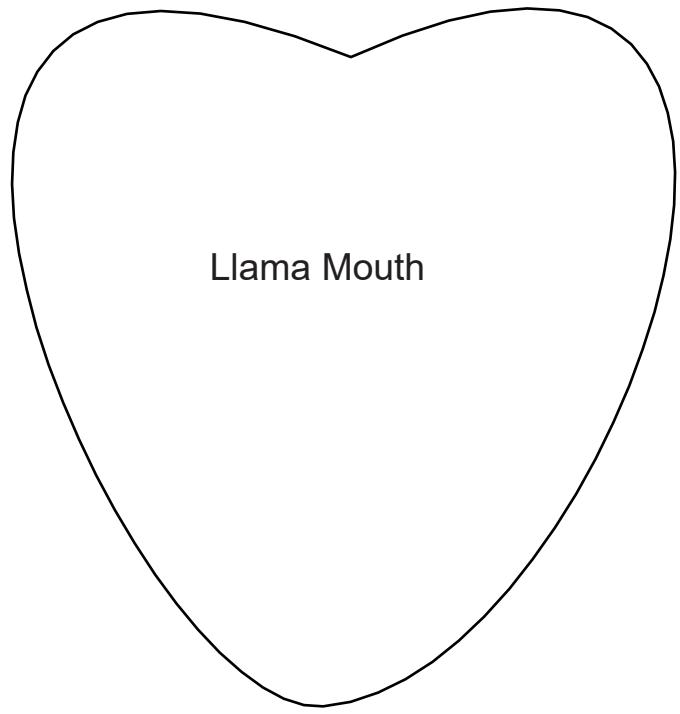

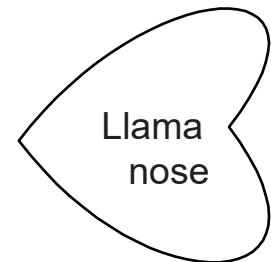

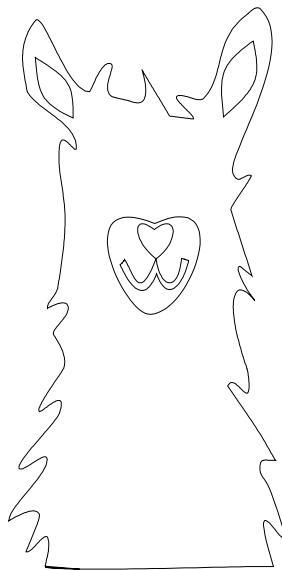

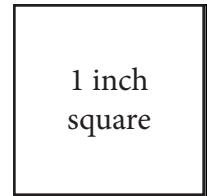

16. Baste sandwich. Quilt as desired.

17. Bind with **Fabric I** to finish quilt.

KEY	FABRIC	SKU	YD	CUTTING INSTRUCTIONS
A		51606-3 Charcoal	1/4	(1) 6" x WOF strip. Subcut (4) 6" squares for HST assembly.
B		51608-2 Vanilla	3/8	(4) 2" x WOF strips. Subcut (2) 2" x 22½" strips and (2) 2" x 25½" strips for Border 2.
C		51607-5 Raspberry	1/4	(1) 6" x WOF strip. Subcut (2) 6" squares; cut each square once diagonally to create (4) HST. From the remainder of the 6" strip, subcut (4) 3" squares. (1) Hat Template 2.
D		51609-2 Vanilla	3/8	(1) 6" x WOF strip. Subcut (4) 6" squares for HST assembly. On each square, draw a diagonal line on the wrong side of fabric. From the remainder of the 6" strip, subcut (4) 3½" squares; cut each square once diagonally to create (8) HST. (1) Llama body template.
E		51609-6 Pistachio	1/4	(3) 1½" x WOF strips. Subcut (2) 1½" x 20½" strips and (2) 1½" x 22½" strips for Border 1. (1) Hat Template 1, (1) Hat Template 3 and (1) set of Crochet Needles from templates.
F		51609-5 Raspberry PILLOW BINDING	1/4	(3) 2¼" x WOF strips for binding. (1) Llama ear, (1R) Llama ear, (1) set of Crochet Needles and (1) Llama nose from templates.
G		51609-7 Citrine	1/8	(2) sets of Crochet Needles templates.
H		50087-17 Desert BEDROCK COLLECTION	1/4	(1) 1" x WOF strip. Subcut (2) 1" x 9½" strips and (2) 1" x 10½" strips. (1) Llama Hair, (1) Llama Mouth, (1) Llama eyelid, and (1R) Llama eyelid from templates.
I		50087-36 Chambray BEDROCK COLLECTION	3/8	(1) 9½" x WOF strip. Subcut (1) 9½" square. (1) Llama eye and (1R) Llama eye from templates.
J		35370S-2 Jet Black WINDHAM SOLIDS COLLECTION	1/8	(1) Llama pupil, (1R) Llama pupil, (1) Llama eyelash, (1R) Llama eyelash (Eyelashes optional) and (1) Llama smile from templates.
		Backing	2	(1) 29" x 29" square for pillow front backing. (1) 26" x WOF strip. Subcut (2) 26" x 21" strips for pillow backing.
				(1) 29" x 29" piece of batting.

Craft Buddy Pillow

Paper Template Cutting Instructions

(This pattern includes instructions for raw edge appliquéd, therefore the printed template size is the actual size of the finished patch. It is recommended to use raw edge appliquéd to create a textured look for the llama).

- Use scissors to cut out the following templates on the black printed line from the templates pages. The Template Pages are labeled using the following template names.

Llama body, Llama eye, Llama eyelid, Llama pupil, (3) Llama eyelashes (*The Llama eyelashes are quite small. You may choose to use the templates as a guide and embroider the eyelashes. You may also use a fabric marker to draw the eyelashes onto the Llama. Use your preferred method*), Llama hair, Llama ear, Llama nose, Llama mouth, Llama smile, Hat Template 1, Hat Template 2, Hat Template 3, Crochet Needles 1 & 2.

Fusible Web Cutting Instructions

- Place templates on the smooth side of fusible web with the templates **wrong side up so that the black printed line and text are facing down and the blank side of paper is facing up. This will allow you to trace a mirror image**. Trace the following quantity of templates onto the smooth side of fusible web with the template wrong side up:

(1) Llama Body, (1) Llama eye, (1) Llama eyelid, (1) Llama pupil, (3) Llama eyelashes (*The Llama eyelashes are quite small. You may choose to use the templates as a guide and embroider the eyelashes. You may also use a fabric marker to draw the eyelashes onto the Llama. Use your preferred method*), (1) Llama hair, (1) Llama ear, (1) Llama nose, (1) Llama mouth, (1) Llama smile, (1) of each Hat Template 1, 2 and 3, (4) sets of Crochet Needles 1 & 2.

- Roughly cut out each template just outside of the traced line and set aside. Cutting Instructions for **Fabrics A-J** indicate how to fuse and cut out each template. (*Appliquéd instructions in this pattern are for raw edge appliquéd*).

Craft Buddy Pillow

- Place templates on the smooth size of fusible web with the templates **right side up so that the black printed line and text are facing up and the blank side of paper is facing down**. Trace the following quantity of templates onto the smooth side of fusible web with the template right side up:

(1) Llama eye, (1) Llama eyelid, (1) Llama pupil, (3) Llama eyelashes, (1) Llama ear.

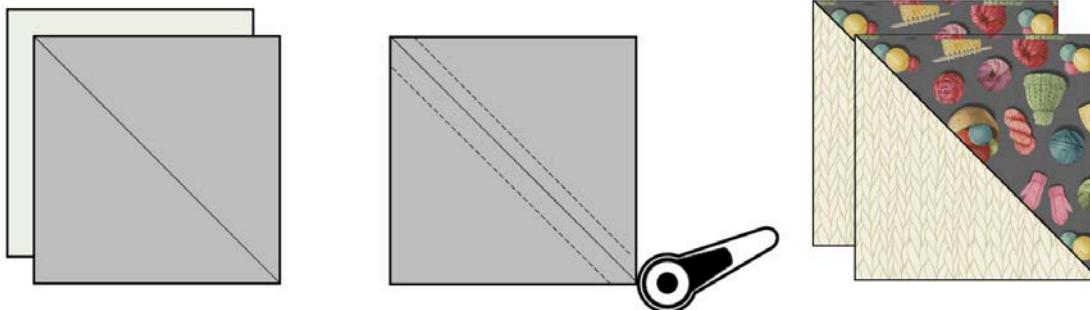

- Roughly cut out each template just outside of the traced line and set aside. Cutting Instructions for **Fabrics A-J** indicate how to fuse and cut out each template. (*Appliquéd instructions in this pattern are for raw edge appliquéd*).

Piecing Instructions

1. Begin HST assembly process by layering (1) 6" square from **Fabrics A and D** right sides together and edges aligned. With **Fabric D** facing up, sew $\frac{1}{4}$ " away from each side of the drawn line as shown in the diagram.

2. Use a rotary cutter to separate the two sides, creating (2) HST. Trim HST to $5\frac{1}{2}$ ". Press seams toward **Fabric A**.

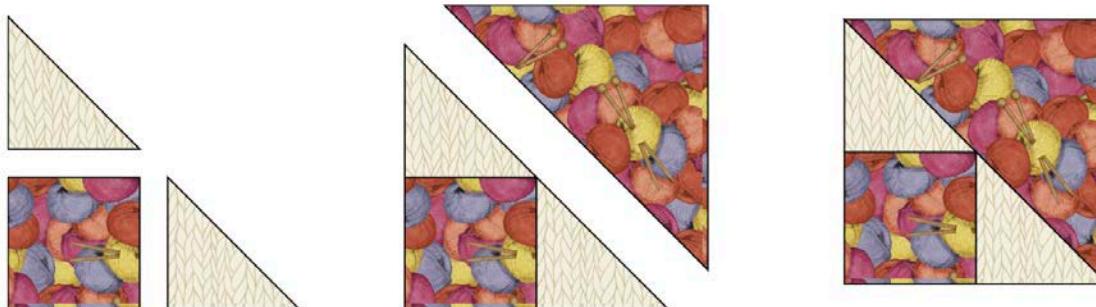

3. Repeat to create (8) HST using **Fabric A and D**.

4. Sew (2) $3\frac{1}{2}$ " **Fabric D** HST onto (2) neighboring sides of a 3" **Fabric C** square as shown. Press seams outward toward **Fabric D**.

5. Sew (1) 6" **Fabric C** HST onto the longest edge of the unit created in Step 4 as shown. Press seams toward the **Fabric C** HST to complete the block.

6. Repeat to create (4) blocks. Trim blocks to measure $5\frac{1}{2}" \times 5\frac{1}{2}"$ unfinished.

7. Prepare the appliquéd background by sewing (1) 1" x $9\frac{1}{2}$ " **Fabric H** strips onto each side of (1) $9\frac{1}{2}$ " **Fabric I** square. Press seams outward.

8. Continue block assembly by sewing (1) 1" x $10\frac{1}{2}$ " **Fabric H** strip onto the top/bottom of the block to finish. Press seams outward. Block should measure $10\frac{1}{2}" \times 10\frac{1}{2}"$ unfinished.

Craft Buddy Pillow

9. Begin the appliquéd process by peeling the paper off the glue side of the fusible web for all appliquéd patches. **Do not iron at this time.** Future instructions give the order in which you fuse each template.

10. Place the Llama body onto the block created in Steps 7-8. Center the body toward the bottom of the block, with the wrong side of the Llama body touching the right side of the block as shown. Once you are satisfied with the placement of the Llama, use an iron to fuse it into place.

11. Secure the Llama into place by sewing around the perimeter of the Llama with a straight stitch and similar thread color.

12. Next, place the Llama ears, Llama mouth and Llama eyes as shown. Once you are satisfied with the placement of the Llama's features, use an iron to fuse them into place.

13. Stitch around the features added in Step 12 using stitching methods described in Step 11.

14. Next, place the Llama nose, Llama hair, Llama smile, and Llama pupils as shown. Use an iron to fuse them into place.

15. Stitch around the features added in Step 14 using stitching methods described in Step 11.

Craft Buddy Pillow

16. Next, place the Llama eyelids, and Llama hat templates 1, 2 and 3. Hat templates 1 and 3 should overlap hat template 2. Use an iron to fuse the templates into place. (*Llama Hat Templates may overlap the Fabric H strips*).

17. Stitch around the features added in Step 16 using stitching methods described in Step 11.

18. Last, add (3) Llama eyelashes (*You may use a fabric marker to draw the llama eyelashes, embroider them or use a small appliquéd*) to each eye and (1) set of Crochet Needles for each quadrant of the **Fabric I** square as shown. Use an iron to fuse the templates into place.

19. Stitch the eyelashes and crochet needles down using one straight stitch, running the length of the eyelash and crochet needle. Use like colored thread and backstitch at the beginning and end of the eyelash.

Pillow Assembly

20. Following the diagrams for accurate block placement, assemble the pillow center as shown. Some blocks are turned throughout the quilt top to create a star at the center of the pillow. The completed pillow center should measure 20½" x 20½" unfinished.

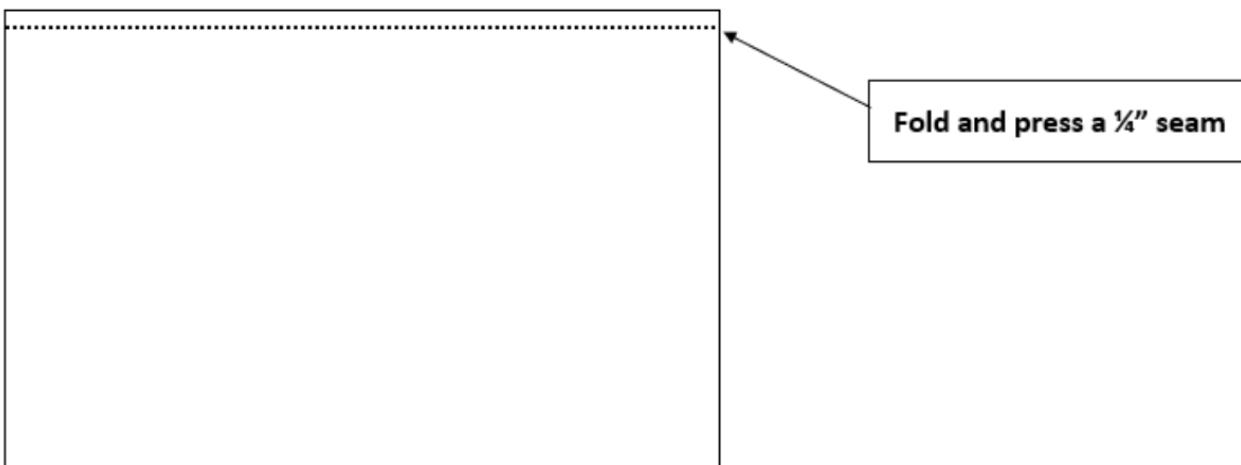

Craft Buddy Pillow

- 21.** Attach Border 1 by sewing (1) $1\frac{1}{2}'' \times 20\frac{1}{2}''$ **Fabric E** strip onto each side of the pillow center. Sew (1) $1\frac{1}{2}'' \times 22\frac{1}{2}''$ **Fabric E** strip onto the top/bottom of the pillow center. Press all seams outward toward borders.
- 22.** Attach Border 2 by sewing (1) $2'' \times 22\frac{1}{2}''$ **Fabric B** strip onto each side of the pillow center. Sew (1) $2'' \times 25\frac{1}{2}''$ **Fabric B** strip onto the top/bottom of the pillow center. Press all seams outward toward borders.
- 23.** Layer the pillow front, completed in Step 22, with batting and (1) $29'' \times 29''$ square piece of backing.
- 24.** Baste layers together thoroughly to avoid stretching during quilting. Quilt as desired.
- 25.** When quilting is complete, trim the excess batting and backing from the pillow front. The pillow front should measure $25\frac{1}{2}'' \times 25\frac{1}{2}''$ unfinished at this stage.
- 26.** Begin the pillow back assembly by folding and pressing a $\frac{1}{4}''$ crease on the long edge of (2) Backing Fabric $26'' \times 21''$ pieces as shown.

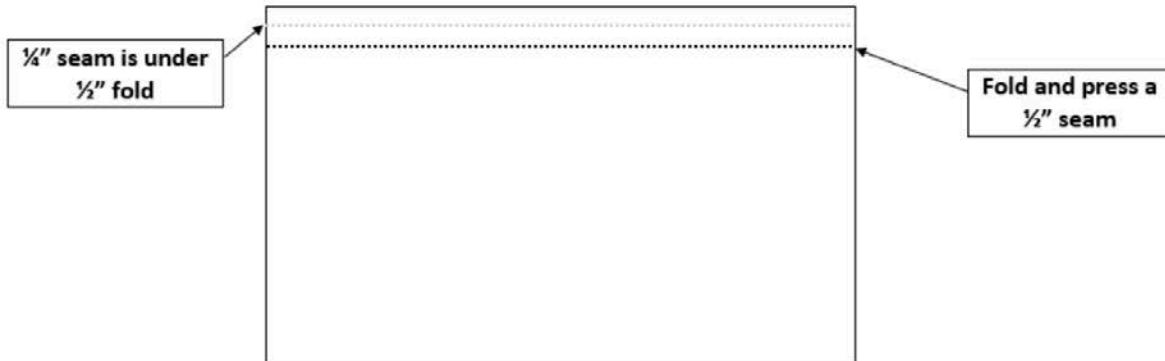

Fold and press a $\frac{1}{4}''$ seam

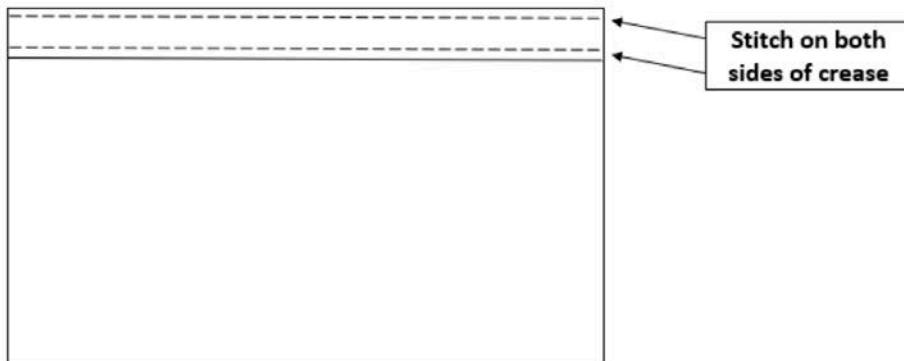

Craft Buddy Pillow

27. Fold and press one more crease measuring $\frac{1}{2}$ " on the same edge of (2) Backing Fabric 26" x 21" pieces as shown.

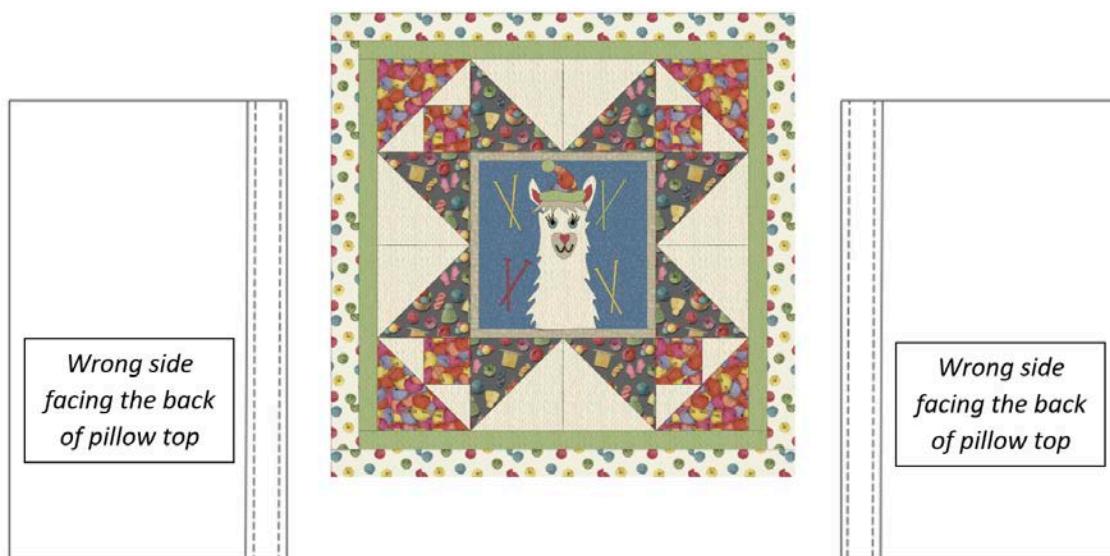

28. Use like colored thread to stitch on both sides of the crease, backstitching at the beginning and ends of both stitching lines. This will secure both the $\frac{1}{4}$ " and $\frac{1}{2}$ " crease in place. Repeat on both Backing Fabric pieces to complete backing assembly.

29. Place the pillow front **wrong sides together** and edges aligned with the pillow backs created in the above steps. Both pillow backs will overlap in the center by approximately 8". Pillow back edges should be aligned with the pillow front edges.

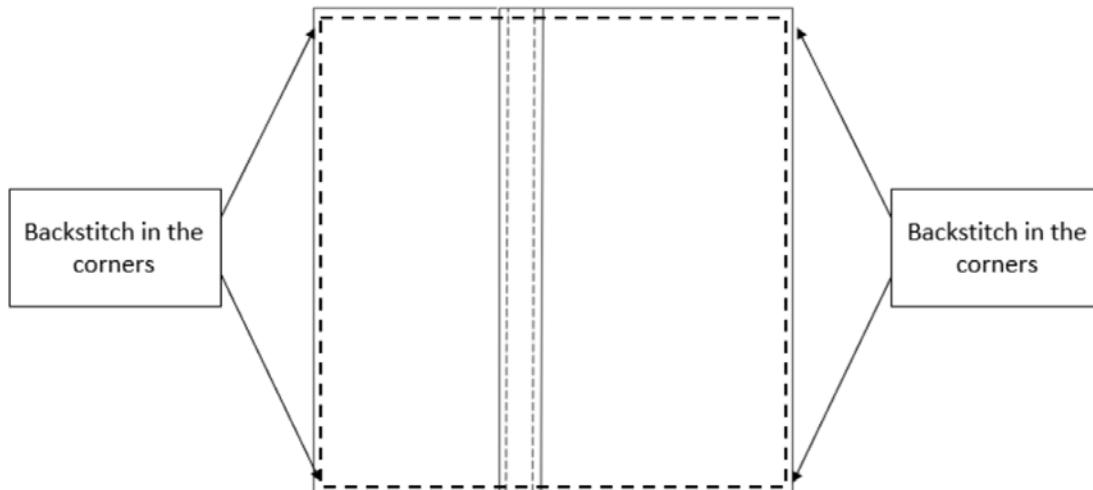

30. Pin pieces in place to keep them secure.

31. Sew a $\frac{1}{8}$ " around all edges of the pillow, backstitching at the corners to further secure the corners. This step is to secure the layers in place while the binding is being completed.

Craft Buddy Pillow

32. Press.

33. Create binding using (3) 2¼" x WOF **Fabric F** strips. Sew strips together end to end using a diagonal seam. Trim seams to ¼" and press open.

34. Press the long strip in half widthwise and with wrong sides together.

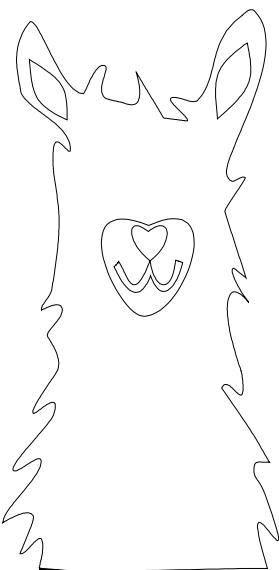

35. Attach binding to the pillow using your preferred method. Complete binding as you would a quilt.
