Sewing instructions for Table Runner:

## Constructing the Block

1. After printing foundation patterns trim each section leaving the seam allowance. You will be chain piecing so put all the B's patterns together with appropriate fabrics. Repeat for A and C. Refer to pictures for hints on how to sew each tree.
  - a. Hint: Sewing with smaller stitches and larger needle will make it easier to remove paper after joining the blocks.
  - b. Hint: Remember tape can fix a torn paper foundation. (In case you have to unsew.)
