Make the Quilt

1. Sew (1) 7" x 16-1/2" **E** piece lengthwise to (1) 10" x 16-1/2" **D** piece.
2. Sew 2-1/2" x 16-1/2" **B** pieces to opposite sides. Sew 2-1/2" x 20-1/2" **B** pieces to the top and bottom to make the quilt center.

3. Join the template pages as directed to create the full fish template. Trace onto the paper side of fusible web and cut out 1/2" beyond the shape. Fuse onto wrong side of Fabric **H** and cut out on the drawn line.

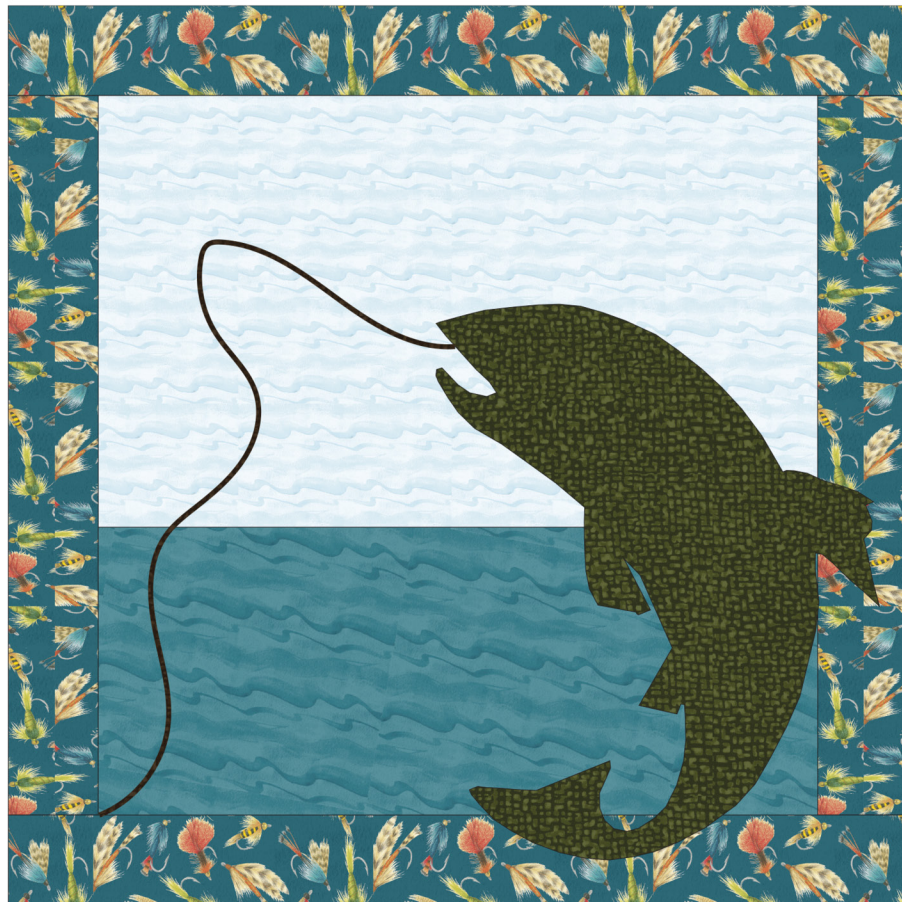

4. Cut the 8-1/2" **I** square diagonally in half once and sew triangles together along straight edge to create a parallelogram as shown. Cut (3) 5/8" wide bias strips from the parallelogram. Join the strips to create a long strip and fold and press both long edges to the center to create the fishing line (or use a bias making tool).

5. Position fish and fishing line on the quilt center. Fuse the fish in place and hand stitch the fishing line in place, trimming as needed. (Alternatively, create the fishing line with embroidery floss and a backstitch.)

6. Sew (1) 2-1/2" x WOF **C** strip lengthwise to (1) 2-1/2" x WOF **F** strip. Make a total of (3) strip sets. Cut a total of (48) 2-1/2" wide segments.

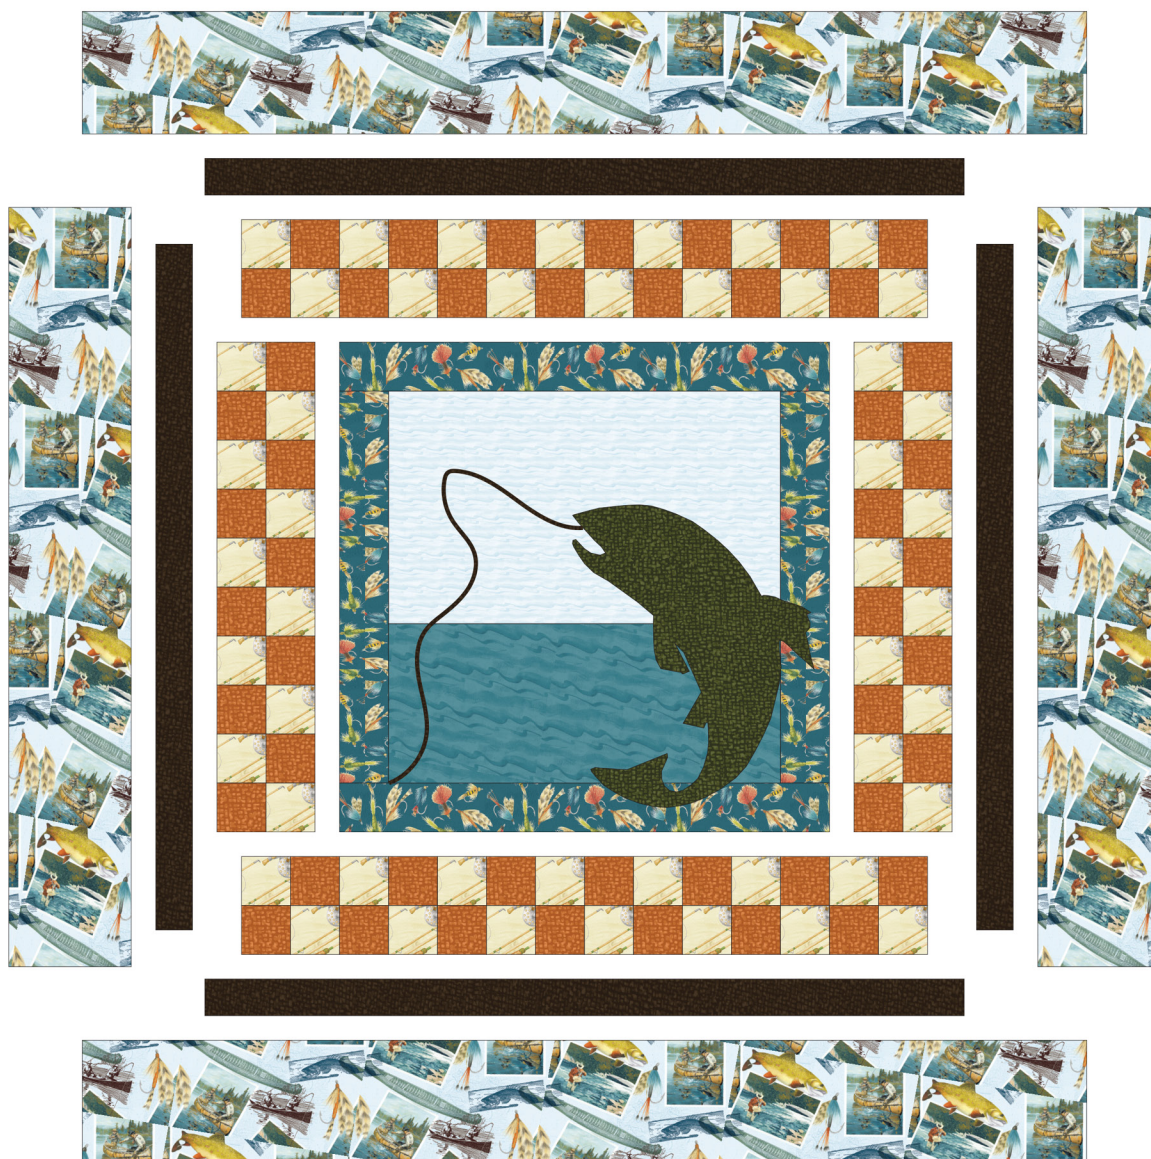

7. Join (2) segments with colors alternating to make a four-patch. Make a total of (24) four-patches.

8. Referring to the Quilt Layout Diagram, sew (5) four-patches together to make a side border. Make (2). Sew to the sides of the quilt. Sew (7) four-patches together to make a top/bottom border. Make (2). Sew to the top/bottom of the quilt.
9. Sew 2" x 28-1/2" **I** strips to opposite sides of the quilt. Sew 2" x 31-1/2" **I** strips to the top and bottom.
10. Sew 5-1/2" x 31-1/2" **A** strips to opposite sides of the quilt. Sew 5-1/2" x 41-1/2" **A** strips to the top and bottom to complete the quilt top.

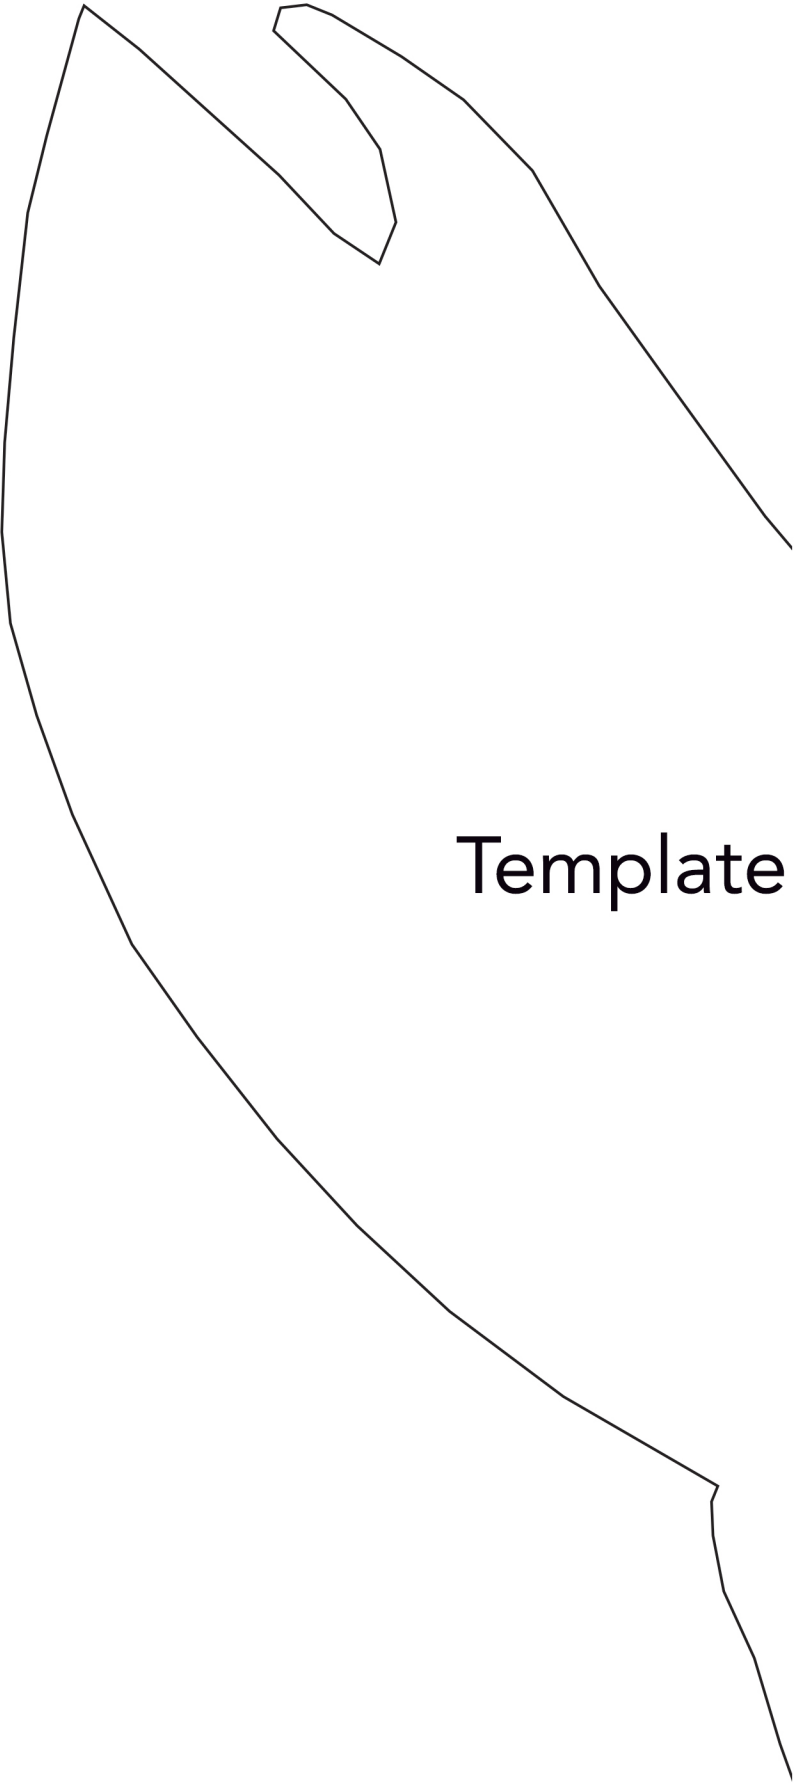

Finishing

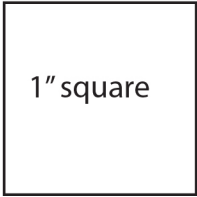

11. Layer the backing fabric, batting and quilt top to form a quilt sandwich. Baste the sandwich and quilt as desired.
12. Use the (5) 2-1/4" x WOF **G** strips to bind the quilt.
