MAKING THE BLOCKS

NOTE: Use your preferred combinations of lavender and light strips to make each strip set.

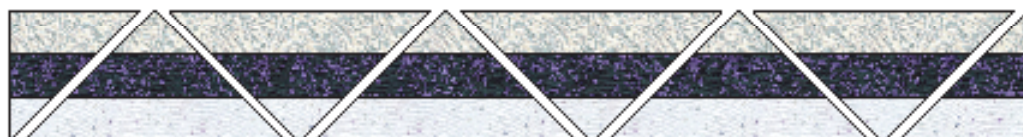

1. Sew 2-1/2" x WOF light strips lengthwise to opposite sides of (1) 2-1/2" x WOF lavender strip to create a light-lavender-light strip set. Align the 45-degree line on a ruler along the top edge of the strip set and cut a diagonal line, starting at the strip set bottom corner.

2. Rotate the ruler so the 45-degree line on the ruler is along the top edge of the strip set and cut, creating a triangle as shown.

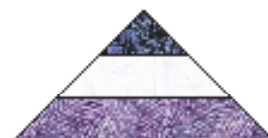

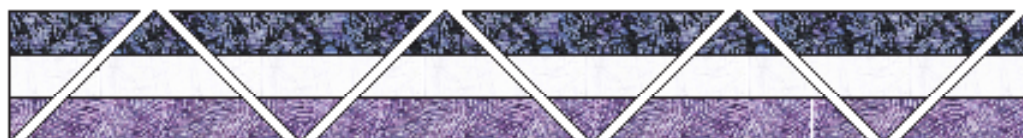

3. Continue rotating the ruler to cut a total of (6) light-lavender-light triangles as shown.
