Piecing the Blocks:

Each block is constructed using the same size patches and sewn in the same sequence.

1. Block 3 Cactus block. Transfer template markings to template material and cut out. Prepare selected red and green fabrics for your favorite applique method. Place patches in center of a 6-1/2" white A square. Stitch in place, adding the cactus spines using black embroidery thread.
2. For all blocks, select your pre-cut patches and sew two B triangle patches to each side of the center A patch. Press seams toward the A patch. Diagram 1.
3. Next, sew a colored C triangle to the top and bottom of the Diagram 1 units. Press seams toward the C patches. Diagram 2.
4. Finally, add the 6-7/8" triangles to the four corners as shown in Diagram 3. Make four of Block 1, four of Block 2 and one of Block 3. Square to 12 1/2".

**Piecing the four border corner blocks (Greek Key Log Cabin)**

5. Note the cutting information for the four blocks as shown in the block diagram. There are 7 strips of both red and white fabrics. These are sewn in a spiral/log cabin sequence. Make 4 of these. Square to 6 1/2".

Quilt Assembly

6. Sew the nine 12" blocks together to form the quilt center. This measures 36-1/2" x 36-1/2". Refer to the color quilt picture for placement.

7. Cut four 2-1/2" x wof strips from 43471-2 Blue for the inner borders. Sew to quilt center. This now measures 40-1/2" x 40-1/2".

8. Cut four 6-1/2" WOF strips of border stripe (#43472-X Multi). Measure your quilt center and trim these strips to that size. Sew one to each side of the quilt. Stitch a Greek Key Log Cabin (red and white) block to each of the short ends of the remaining two 6-1/2" strips. Join to center to finish.

9. Layer quilt top, batting and backing and quilt as desired. Trim batting and backing even with quilt top.

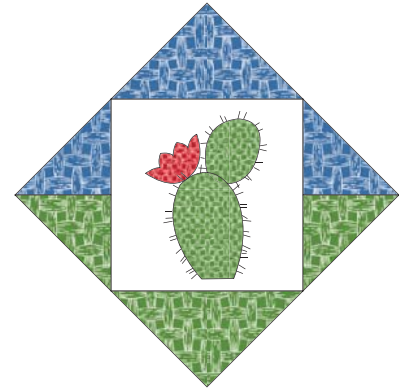

10. Cut 5 strips 2-1/4" x WOF from 43471-4 Red and stitch together into long strip. Use to bind quilt.
