I		40171-7 Red/Yellow *Artisan Cotton	1/8	For Alien Teeth: Two 2" x 6". Four Template A.
J		40171-15 Yellow *Artisan Cotton	1/8	Four Template B.
K		40171-9 Blue *Artisan Cotton	1/8	For Alien eyes.
		Backing	1	

My Outer Space Buddy

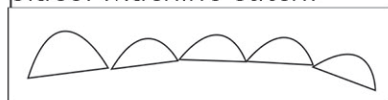

Sewing the Block:

1. Transfer template markings to freezer paper. (This way you can iron the freezer paper to the right side of the fusible backed fabric without creating a mirror image.)
2. Following manufacturer's instructions, fuse the wrong side of the five **B** squares, the **C** rectangle, the **I** rectangles, and the blue, black and white squares for the eyes. Allow to cool.
3. Cut out each of these applique shapes. Remove the paper from each patch.
4. Arrange the patches for the alien body on the **A** 12-1/2" square. Fuse in place. Add one red star. Stitch the block.

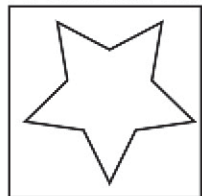

5. Using Templates A & B (half circles), transfer to fusible backed fabrics and cut out: four yellow, four black, four orange and four red solids using Template A. Also cut out four using Template J with fabric **C**.

6. Arrange these half-circle patches on the four **E** rectangles as shown on the pattern cover. Fuse in place. Machine stitch.

7. Cut out the remaining four **B** stars and center these on the **D** squares. Fuse and stitch.

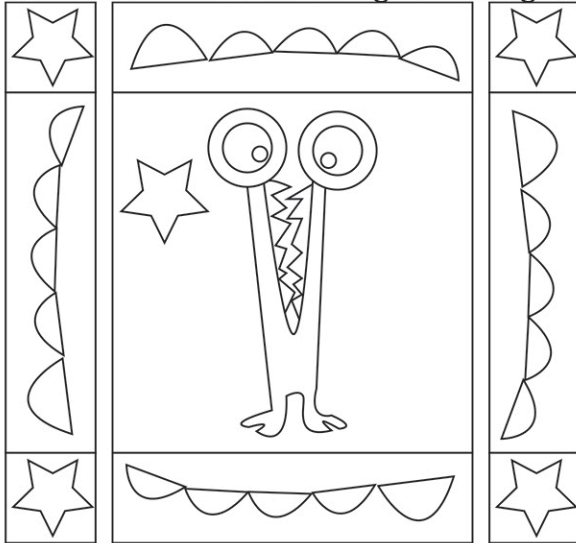

Make 4.

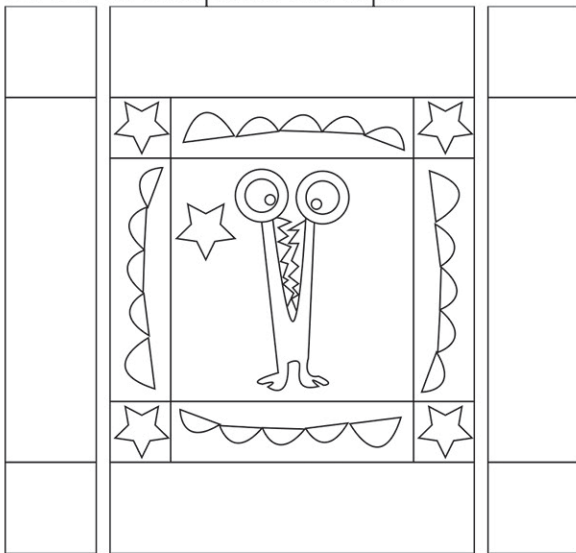

My Outer Space Buddy

Quilt Assembly:

1. Sew an **E** rectangle to the top and bottom of the 12-1/2" Alien Block, taking care to orient the half-circle patches as shown. Press seams towards **E**.
2. Sew a grey star square to each side of two **E** rectangles. Sew these units to the remaining two sides of the Alien Block, again, taking note of the half-circles. Press.

3. Sew an **F** 5" x 18 1/2" strip to the top and bottom of the Step 2 unit. Press seams toward the red border.
4. Sew a 5" **A** square to the short ends of the remaining two **F** border strips. Join this to the quilt center to complete the top.

Finishing the Quilt:

1. Layer quilt top, batting and backing and quilt as desired. Trim the backing and batting even with the quilt top.
2. Sew the three **B** 2-1/4" binding strips together to form the binding. Press in half, wrong sides together and use to bind the quilt.
