Cutting Instructions

Designer Note: Read through all cutting instructions before beginning. The block is featured in (5) colorways. Each colorway contains (4) fabrics. Each cutting instruction indicate which colorway that fabric is used for. Organize fabrics by Colorway 1-5 as you cut.

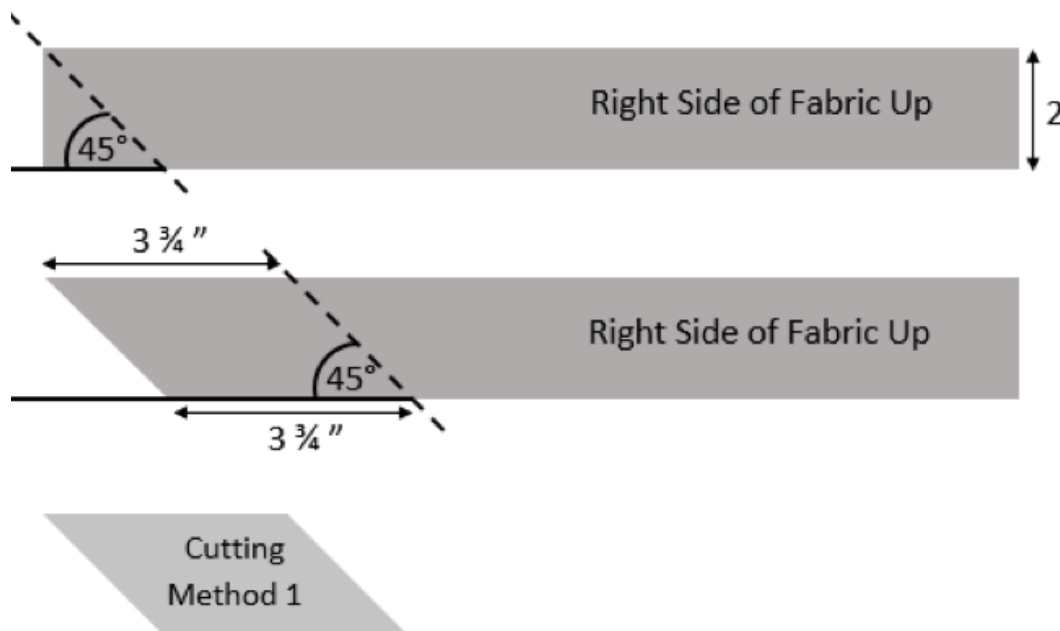

45° Angle Cuts: 45° angle cuts are used to create the quilt top effect. Two cutting methods are used. Follow the diagrams shown and written instructions for accurate cutting. Each cutting instruction lists which method to use (Cutting Method 1 or Cutting Method 2). The two cutting methods produce mirror image diamonds.

Star Struck

Cutting Method 1

1. Place (1) $2\frac{1}{2}$ " x WOF strip right side up on the cutting mat.
2. Align the 45° angle of a ruler along the bottom edge of the strip. Align the top left corner of the strip with the edge of the ruler as shown.
3. Trim the left edge of the strip using a rotary cutter and the 45° angle as shown. The first cut will not be used.
4. Begin cutting diamonds by aligning the 45° angle along the bottom edge of the strip. Use the ruler to measure $3\frac{3}{4}$ " away from the right most side of the ruler to the top left corner of the fabric. The top and bottom edges of the diamond will be $3\frac{3}{4}$ ".
5. Cut diamonds using this method. Easy strip should yield (5) diamonds.

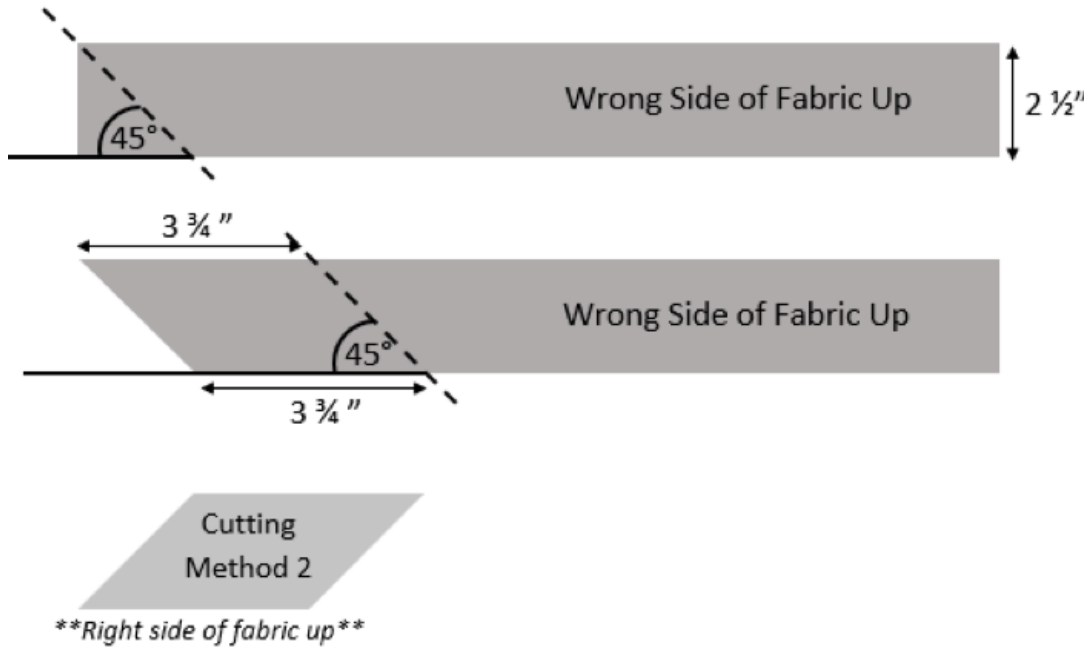

Cutting Method 2

6. Place (1) $2\frac{1}{2}$ " x WOF strip wrong side up on the cutting mat.
7. Align the 45° angle of a ruler along the bottom edge of the strip. Align the top left corner of the strip with the edge of the ruler as shown.
8. Trim the left edge of the strip using a rotary cutter and the 45° angle as shown. The first cut will not be used.
9. Begin cutting diamonds by aligning the 45° angle along the bottom edge of the strip. Use the ruler to measure $3\frac{3}{4}$ " away from the right most side of the ruler to the top left corner of the fabric. The top and bottom edges of the diamond will be $3\frac{3}{4}$ ".
10. Cut diamonds using this method. Easy strip should yield (5) diamonds.

Block Assembly Instructions

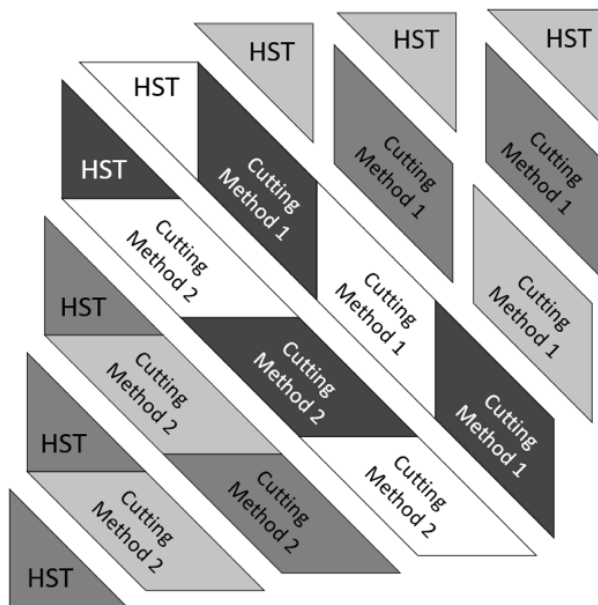

11. Using the diagrams shown for accurate placement of Cutting Method 1 diamonds, Cutting Method 2 diamonds and 3 3/4" HST, lay out the block before sewing. (Alternate colors throughout using diagrams for Colorways 1-5 for reference). Diagrams show placement of units.

12. Begin sewing together the block in diagonal rows first as shown in the diagram. Alternate the direction in which you press the seams in each diagonal row.

13. Using pins to help align points, sew together the diagonal rows to complete the block.

14. Use the instructions listed in Steps 11-13 and the colorway guide shown for accurate fabric pairing. Complete the following number of blocks per colorway:

14a. Colorway 1: Complete (8) blocks (**Fabrics A, B, C and D**)

14b. Colorway 2: Complete (8) blocks (**Fabrics E, F, G and H**)

14c. Colorway 3: Complete (8) blocks (**Fabrics I, J, K and L**)

14d. Colorway 4: Complete (8) blocks (**Fabrics M, N, O and P**)

14e. Colorway 5: Complete (4) blocks (**Fabrics Q, R, S and T**)

15. Blocks should measure 12" unfinished.

17. Use the instructions listed in Step 16 and the colorway guide shown for accurate fabric pairing. Complete the following number of blocks per colorway:

17a. Colorway 1: Complete (2) large blocks

17b. Colorway 2: Complete (2) large blocks

17c. Colorway 3: Complete (2) large blocks

Quilt Top Assembly

19. Arrange blocks created in Colorways 1-5 using the quilt layout diagram shown.
20. Sew blocks together in horizontal rows first alternating the direction in which you press the seams in each row.
21. Sew together the horizontal rows to complete the quilt top.
