## 1/4" Seam Allowance Check

Even if you use a $1 / 4^{\prime \prime}$ foot, your seam allowance may not be accurate!

To check if your seam is accurate, cut three $11 / 2^{\prime \prime} \times 3^{\prime \prime}$ pieces from scrap fabric.
Sew the pieces together along the $3^{\prime \prime}$ side, using what you believe is a $1 / 4^{\prime \prime}$ seam.

Press away from the center piece.
Measure.
The center piece should be exactly $1^{\prime \prime}$ wide.

If, when you measure, the center is less than $1^{\prime \prime}$, your seam allowance is too large.
If it's more than 1 ", your seam allowance is too small.
Refer to your machine owner's manual for instructions on changing your needle position.
Repeat the test until your center strip measures exactly 1 ".

## Sunspots

## Blocks:

Make 20

1. Stitch one fabric B $21 / 2^{\prime \prime} \times$ WOF, one fabric $C 21 / 2^{\prime \prime} \times$ WOF and one fabric $D 41 / 2^{\prime \prime} \times$ WOF strips together to make a stripset. Make three stripsets. Cut into forty $2^{1} / 2^{\prime \prime} \times 81 / 2^{\prime \prime}$ units.
2. Stitch one unit to the left and right sides of one fabric $F 81 / 2^{\prime \prime}$ square. Press toward center.

Step 1

Step 2

3. Stitch one fabric A $21 / 2^{\prime \prime} \times$ WOF, one fabric $B 21 / 2^{\prime \prime} \times$ WOF, one fabric $C 21 / 2^{\prime \prime} \times$ WOF, one fabric $D$ $41 / 2^{\prime \prime} \times$ WOF and one fabric E $21 / 2^{\prime \prime} \times$ WOF strips together to make a stripset. Make three stripsets. Cut into forty $21 / 2^{\prime \prime} \times 121 / 2^{\prime \prime}$ units.
4. Stitch one unit to the top and bottom of each block. Press outward. Square block to $12^{1} 22^{\prime \prime}$.

Step 3

Step 4

## Sunspots

Assembly:
5. Stitch four fabric A $21 / 2^{\prime \prime} \times 121 / 2^{\prime \prime}$ rectangles together with five fabric $G 21 / 2^{\prime \prime}$ squares. Make six.
6. Stitch four blocks together with five fabric A $2^{11 / 2 " ~ x ~} 12^{1} / 2^{\prime \prime}$ rectangles. Make five.
7. Combine the strips together to complete the quilt center. (See center assembly diagram below)

## Sunspots

8. Stitch eight fabric $\mathrm{H} 21 / 2^{\prime \prime} \times$ WOF strips together in pairs, end-to-end. Add to the quilt, mitering corners.
9. Cut one fabric F $51 / 2$ " x WOF strip in half. Add a whole strip to each end of each piece to make two $21 / 2$ strip lengths. Add to the left and right side of the quilt, preparing to miter corners.
10. Stitch four fabric F 5½" x WOF strips together in pairs. Add to the top and bottom of the quilt, mitering corners.

## Finishing:

11. Layer, baste and quilt as desired.
12. Bind with nine fabric $\mathrm{F} 21 / 2^{\prime \prime} \times$ WOF strips.
