## MAKE THE BLOCKS

1. Find and finger press the center of the curved side of (1) Template #1 **B** piece and (1) Template #2 **F** piece. Match the finger-pressed center marks and pin in place. Pin the straight edges of the **B** and **F** pieces together. Carefully pin the area between the center and ends so the curved edges match.

2. Sew the curved edges with a  $\frac{1}{4}$ " seam allowance, adjusting the fabric and presser foot as needed so the curves continue to align. Press seams toward print fabric. Trim block as needed to measure 6-1/2" square. Make 12 each of the following combinations:

## Assembling the Quilt

3. Referring to the Quilt Assembly Diagram on p. 3, lay out (12) blocks in a vertical row, orientating each block as shown. Sew the blocks together. Make a total of (6) vertical block rows, noting that the layout is different for every other row.

4. Lay out (4) 6-1/2" x 72-1/2" **A** strips, (3) 1-1/2" x 72-1/2" **H** strips, and (6) vertical block rows as shown. Sew the strips and rows together to complete the quilt top.

## Finishing

5. Layer quilt top, batting and backing together to form a quilt sandwich. Baste and quilt as desired. Bind using **I** 2-1/4" strips.
