Assembly

Sew a 6" piece of 33761-1 Red to the top and bottom of a fussy cut Christmas tree block. Next sew a 9 1/2" piece of 33761-1 Red to each side, you now have a 9 1/2" X 9 1/2" block.

Place a 4" square of 33761-2 Green on each corner RST and align the raw edges. Draw a diagonal line on the back of each square and sew on the line as shown. Flip the triangles open, press and trim the excess leaving a 1/4" seam allowance on the back. Repeat for the other tree square and the 2 snowman squares.

For the scenic corner blocks follow the same procedure substituting the fussy cut scenes from the all over design as the centers and 33761-4 Dark Blue for 33761-1 Red and 33761-1 Red for 33761-2 Green. Make four scenic corner blocks.
