Cozy Casserole Carrier

Designed by Ann Wanke of the Quilted Basket
Featuring the In the Mix Collection by Whistler Studios

Fabric Required:

Fat quarter 37468-1 Red

(for carrier outside)

3/4 yard 37468-1 Red (lining)

1/2 yard 37473-1 Red

(for carrier outside)

3/8 yard 37474-2 Blue (binding)

37468-1 Red

37473-1 Red

37474-2 Blue

Carrier:

1. Cut (1) 17 inch square out of two fabrics. Cut each diagonally once. You now have four triangles. Lay out according to the diagram. Sew together.

2. Cut a 27 inch square out of the lining fabric.
3. Layer into a quilt sandwich and quilt as desired.
4. Cut the corners so that they are rounded. To do this, fold piece into quarters. Use a curve ruler or your favorite circle template, and cut corner off.

Handle:

1. Cut (1) 4 1/2" x 36" strip from the print fabric (we selected one of the fabrics used in step 1 of the Carrier).
Cut (1) 1 3/4" x 36" strip from the Insul-bright.
2. Fold and press 1/2" wrong sides together along the long sides of fabric strip.
3. Insert batting along one of these folds.
4. Fold long raw edge of fabric to center. (All raw edges now enclosed).

5. Top stitch the opposite edge.

6. Cut to the length of one of the diagonals (approximately 32 inches) and attach to the inside of carrier.

Loops:

1. Cut a (1) 1 1/2" x 16" strip and construct four loops, using the same method used to make the handle. Each loop should be approximately four inches long.
2. Fold each in half and attach the loops with metal rings to the opposite corners of the quilted squares. Two loops per rings. Sew into seam at opposite corners. Sew over several times to reinforce.

Binding:

1. Cut (3) 2 1/4" strips of fabric for binding. Bind as desired. Enjoy!
