1. There are four blocks in the quilt, two Blocks A with the rectangles sewn around the center square in one direction and two Blocks B with the rectangles sewn around the center square in the opposite direction. Sew all 4 blocks.
2. Sew the blocks together using the long rectangles. Begin with the two short rectangles E and end with the two long rectangles I. Sew in alphabetical order from short to long.
3. Layer the quilt top, batting and backing. Quilt the layers together. Simple quilting is completed in the ditch of the seam lines.
6. Cut binding strips 2-1/4" wide from #27259 floral bouquet. Sew together end to end and fold in half lengthwise. Pin raw edges of binding to raw edges of quilt top. Stitch in place. Turn folded edge to back and stitch in place.
