## Piecing Instructions:

From the 2 1/8" squares of the 3 prints and the solid red, make Half Square Triangles. Draw a line diagonally on the wrong side of all the red solid squares. Pair with a print square. Sew 1/4" on both sides of the drawn line, then cut apart and press seam to one side. These should measure 1 3/4" unfinished. Trim if necessary.

Using the coordinating large rectangles and solid red rectangles, make the blocks. Sew a red 1 3/4" x 1 7/8" rectangle to opposite sides of a half square triangle. Then sew this unit to the long side of a coordinating large rectangle.

When these blocks are completed, sew them along adjacent sides of the 24 1/2" solid red square, using the photo to know where to place the blank red 4 1/2" squares.

Add solid black borders, measuring carefully to make sides even.

Time to get artistic! Lay your pieced quilt out flat. Put your 30" cartoon square on top and draw a cartoon starburst, extending the points into the blank red squares and the black border.

Cut out on your line and machine applique the starburst to the quilt.

Quilt, bind and enjoy!
