**Cutting & Assembly for center blocks:** For each of the (4) center blocks, 12-1/2" unfinished, cut: (2) 4-1/2" squares of #24185-2 and (2) 4-7/8" squares of #23168-5, (1) 4-7/8" square of 23166-6, (2) 4-7/8" squares of #24186-2, (1) 4-7/8" squares of #24181-2, (1) 4-7/8" square of #24184-2. To assemble, make 4 half-square triangle blocks by drawing a

diagonal pencil line on the back of the pink 4-7/8" square. Then layer the pink and brown 4-7/8" square, right sides together, sew 1/4" on each side of the pencil line. Cut apart on the pencil line and press open. Arrange squares per photo.

Fussy cut the family tree from #23162, (12 -1/2" unfinished), on point for the center of the quilt.

For the (4) side triangles, cut (1) 18-1/4" triangle of #23168-1 and cut it twice on the diagonal, yielding four triangles. For the (4) corner blocks, cut (2) 9 3/8" squares of #23168-1 and cut in half on the diagonal. Assemble center section, per photo, with blocks on point.

Border around center section: cut (2) 1-1/2" x 34-1/2" and (2) 1-1/2" x 36 1/2" from #24184-2.

**Cutting & Assembly for Memory blocks:** For the (4) memory blocks, 12-1/2" unfinished, cut: 7" x 7" square of #23162. Fussy cut any of the engraving images of your choice and with a black or brown pigma pen, have fun writing your own favorite family memories on your blocks. Surround this center with (2) 1-1/2" x 7" and (2) 1-1/2" x 9" strips. Outside triangles: cut (1) 7-1/4" square of #24184-2 and (1) 7 -1/4" square of #24181-1. Cut squares twice on the diagonal and assemble block per photo.
