## Assembling the Quilt:

### Center Section

1. Sew the pink border strips and then the stripe border strips to the Center Section. Press seams out.
2. **Preparing the Circles:** The circles can be raw edge fused, pieced or appliquéd to the center. The following directions are for freezer paper circles, machine sewn to center section.
  - a. Cut from freezer paper: 4 – 10” circles; 5 – 8” circles; 4 – 5” circles; 13 – 2” circles. ( I stack 3 or 4 layers of freezer paper together, trace the circle on top layer, then pin and cut with scissors specifically for cutting paper.)
  - b. Iron the freezer paper circles to the wrong side of fabric. (Three sizes for each of the indicated fabrics and one middle size circle from main fabric
  - c. Cut out fabric circles leaving at least a ½” seam allowance.
  - d. Sew using basting (long) stitch length around each circle 1/4” away from edge of circle, leaving thread tails for pulling.
  - e. Pull thread, gathering fabric evenly around the freezer paper. Press the edge, ironing out any pleats.
3. Sew the pink and blue 2” circles to the center of each of the other circles
4. **Sewing the Circles:**
  - a. Pin the circle in place.
  - b. Then machine stitch around the edge of the circle using small stitches.
  - c. Turn over and cut away the fabric inside the stitching line leaving ¼ inch seam.
  - d. Pull out paper by gentle pulling until you find the bias and the paper comes away from the seam.

2. Layer backing, batting, and quilt top. Use temporary fabric spray adhesive for basting. Quilt as desired.
3. Join 2 ¼ " wide strips into 1 continuous piece for straight-grain French-fold binding. Fold lengthwise and press. Trim and square quilt. Sew binding to quilt with a quarter inch seam. Either hand stitch in place; or turn, press, and machine stitch in the ditch.
