CD Square

4. Sew a CD Square to each side of a Fabric A square. Then sew a Fabric C triangle to each end as shown. Make 6 in each colorway. Press seams toward center and outside (opposite # 2 strip.)

5. Starting with a #4 strip sew to a #2 strip matching seams. Continue alternating strips sew together 3 units of each kind. Make two sets in each colorway.

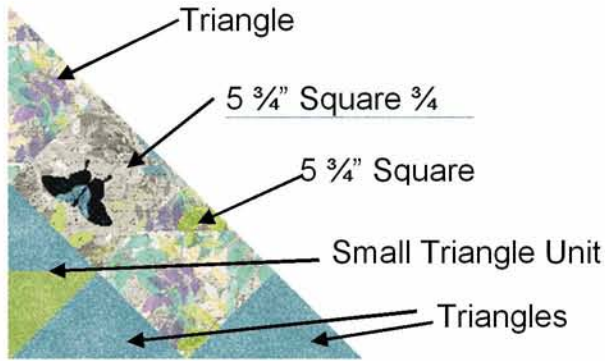

6. To make the end units, sew the following pieces together as shown. Make the small triangle unit first by sewing the small triangles together as illustrated. Make 2 for left side and switching colors make 2 for right side in each colorway.

Borders

1. Sew two border strips together end to end to make one long 80" piece. Make 4 in each border color.
2. Sew green to gray to purple. Make 4 set.

3. Make mitered corners by sewing a unit to each side stopping a $\frac{1}{4}$ " from each end. Make mitered corners by folding corners together right sides matching seams. Pin and draw line from extended seam allowance. Sew along line, then check to see if seams match before trimming.

Finishing the Quilt

1. Layer backing, batting, and quilt top. I use temporary fabric spray adhesive for basting. Quilt as desired.
2. Join 2 $\frac{1}{4}$ " wide strips into 1 continuous piece for binding. Fold lengthwise and press. Trim and square quilt. Sew binding to quilt with a quarter inch seam. Either hand stitch in place; or turn, press, and machine stitch in the ditch.

ENJOY!
