# “Hugs & Kisses”

Designed by Sue Pickering

 Size: 41" x 52"

Estimates for yardage assume long border strips are pieced. Additional fabric needed for strips cut on the lengthwise grain. All strips are cut across the width of the fabric unless noted (\*) otherwise. Seam allowances of ¼" are included in all measurements. Starching your fabrics will make bias cut edges resist stretching. Blocks should finish 11" square.

## O Block Unit Cutting and Construction

For each one you will need 4 Unit A and 4 Unit B and one 3 1/2" center square.

Unit B is based on the sew and flip method of piecing.

- Start with 4 - 4 1/2" squares of the 'O' fabric, and from the background fabric cut 4 - 2 1/2" squares and 4 - 3 1/2" squares.
- Mark the wrong side of the white squares diagonally with light pencil, this will be your stitching line.
- Place one large background square face down on the right side of the 'O' fabric square. Stitch on the marked line, press the triangle open, then trim off the extra fabric from the back.
- Repeat the same process on the opposite corner with the small squares. These are your Unit B.

## X Block Cutting and Construction

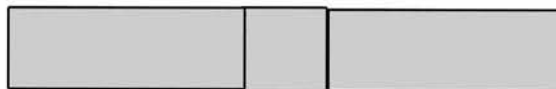

For each one you will need 2 Unit A and 2 Unit B. Strips for the Xs are longer than necessary and will be trimmed to square up the block.

- From the white background fabric: For each block cut one  $8\frac{1}{4}$ ” square and cut diagonally twice.
- From the X fabric: Cut four  $3\frac{3}{8}$ ” X 7” rectangles, and one  $3\frac{3}{8}$ ” square.
