INSTRUCTIONS:

Pre-wash all fabrics. Spray with Mary Ellen's Best Press Starch while pressing well.
All seams are sewn with 1/4" seam allowance.
Refer to the picture of the quilt as needed.

Step 1: Making the shutters.

Using fabric strips for strip set #1, sew one of each together to make a strip set of 4 fabrics. Press all seams in one direction. Make 4.
Cut each strip set into 10 1/2" wide blocks. Make 15.
Repeat for strip set #2.

Sew 5 - #1 blocks alternating with 5 - #2 blocks to make a long column of 10 blocks.

Press all seams in one direction. Make 3.

Trim bottom of columns to measure 76 1/2" long.

Step 2: Making the sashing columns.

Starting and ending with a sashing column, sew sashing and shutter columns alternately together to make the top of the quilt. It should measure 50 1/2" x 76 1/2".

Step 3: Add the borders.

Sew the precut side border to each side.

Sew the top and bottom borders on to the quilt and trim to fit.

Step 4: Piece the backing.

Join the two strips from the top quilt fabric together.

On each side add a strip of the precut backing fabric.

Iron seams flat.

Step 5: Finish up.

Make the quilt sandwich and quilt as desired.

Trim off excess batting and backing.

Bind off to finish.
