Making the Block

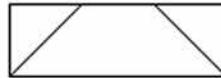

This block consists of two different sections.

For the middle section sew the two $2\frac{1}{2} \times 4\frac{1}{2}$ " pieces to each end of the $4\frac{1}{2} \times 8\frac{1}{2}$ " middle piece.

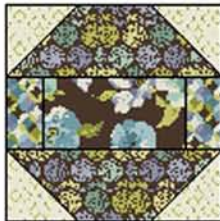

For the top and bottom sections sew two $4\frac{1}{2}$ " squares to each end of the $4\frac{1}{2} \times 12\frac{1}{2}$ " right side together with a diagonal seam as shown. You can make a sewing guide on square by folding opposite corners and iron in crease or draw a line from corner to opposite corner. Flip, iron and trim excess fabric.

Make two for each block

Sew the three sections together as shown. Make 3 of each color way.

Adding Borders

Sew the side borders first. Press out. Next sew on the top and bottom borders. Press. Continue adding borders in the same order until you have all 4 borders in place.

Finishing the Quilt

1. Make backing to fit quilt size plus 3 inches on each side.
2. Layer backing, batting, and quilt top. Use temporary fabric spray adhesive for basting. Quilt as desired.
3. Join 2 ¼ " wide strips into 1 continuous piece. Fold lengthwise and press.
4. Trim and square quilt.
5. Sew binding to quilt with a quarter inch seam.
6. Turn and stitch in place - either hand stitch or machine stitch in the ditch.

ENJOY!
