Piecing instructions

1. Taking the sub-cut 6.5 x 2.5 inch rectangles. Sew the lighter and darker of each color together, like so:

After sewing these rectangles, set aside.

2. Organize your long strips into piles of one dark strip, one light strip and one white strip, like so:

3. Sew these three strips together in this order: dark color, light color, white. Press seams toward the darker color.

4. Now, sub-cut across the 3 strips, 6.5 inch squares in the quantities indicated below (your three strips sewn together should measure 6.5 inches).

Quantities: Yellow: 29, 3 strip squares
Aqua: 22
Red: 16
Green: 14
Coral: 5
Purple: 2

Set aside.

5. From the remaining three-strip sets, cut 1 each, 4.5" rectangle across the three strips, like so:

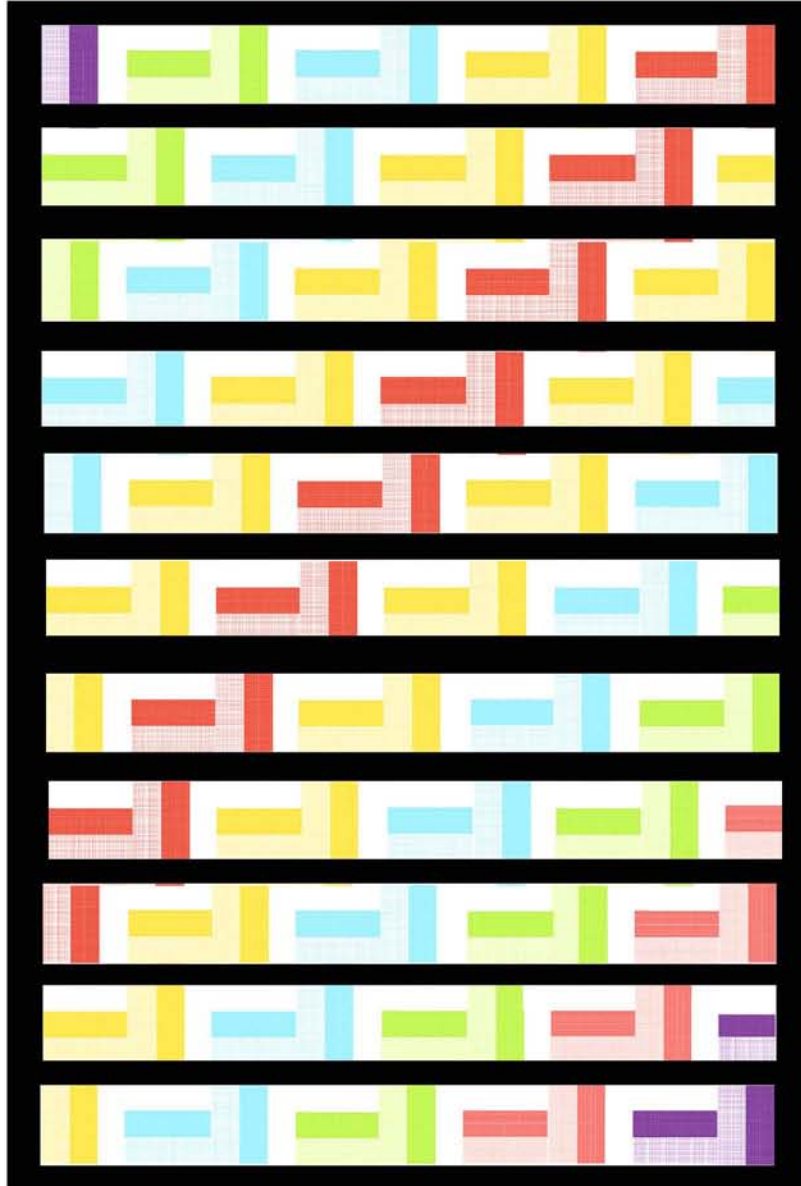

You should have 1 yellow, 1 turquoise, 1 green, 1 coral and 1 purple. Set aside with the pieces from step 1.

Page 4

6. Assemble quilt rows following diagram below (**note black background is just a visual aid). You will just alternate the orientation of the 6.5 x 6.5 “ blocks, until the last block on the right end, where you will place either a rectangle from step 1 or step 5, as indicated on image.

7. Sew top five rows together, then sew bottom 6 rows together. Sew two halves together to assemble quilt top.

8. Piece and sew on white border.

9. Quilt and bind as desired. **Note: I made a multi-color binding out of left-over strips.

ENJOY!!
