

Scribble Me a Quilt

Borders:

1. Always measure your quilt before you cut the lengths of your border strips. All four sides should be within a ¼" inch of each other. Because this is a square quilt, fold the quilt in half and diagonally to make sure the quilt is square.
2. Inner border: White: Cut fabric and sew inner border to quilt.
3. Outer border: Dark pink: Cut fabric and sew outer border to inner border.

Sandwich your quilt:

Your quilt will have three layers: the top, the batting in the middle, and the backing. Pin or baste the layers together.

Quilt and Bind: As desired.

ENJOY!

Scribble Me A Quilt is a fun baby or kid's quilt which incorporates insect and reptile panels into an easy-to-assemble, diagonal patterned 15" x 15" block comprised of 2 sections: the diagonal-side and the X-side. Instructions are given for the girl Quilt. Make substitutions as given for the boy quilt.

Piecing Directions:

- X-Side:** Use a 1/4" seam throughout. The X-side has 3 subunits; construct the X-piece subunit as follows: Cut the yellow and pink 7 1/2" squares in half diagonally, cut again diagonally; yielding 4 pink and 4 yellow triangles.

Sew the yellow triangles to the pink triangles (refer to picture). Sew two yellow/pink units together to form a square. Using a 6 1/2" square template, square and trim the X-piece to 6 1/2" x 6 1/2".

Refer to the picture for X-piece orientation; sew to the 6 1/2" x 2 1/2" fabric. Sew the 7 1/2" x 6 1/2" piece to the X - piece completing the X - side.

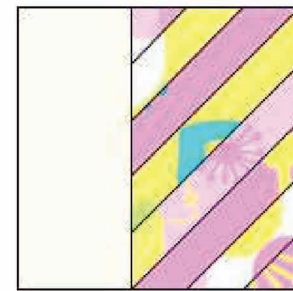

- The Diagonal Side:**

Cut the diagonal strips.

Lay out the pieces as follows: A, B, C, D, D, C, B, A, before sewing them together (refer to picture). Sew the strips.

Sew the X-side and diagonal-side together forming twelve 15 1/2" x 15 1/2" squares. Square the blocks.

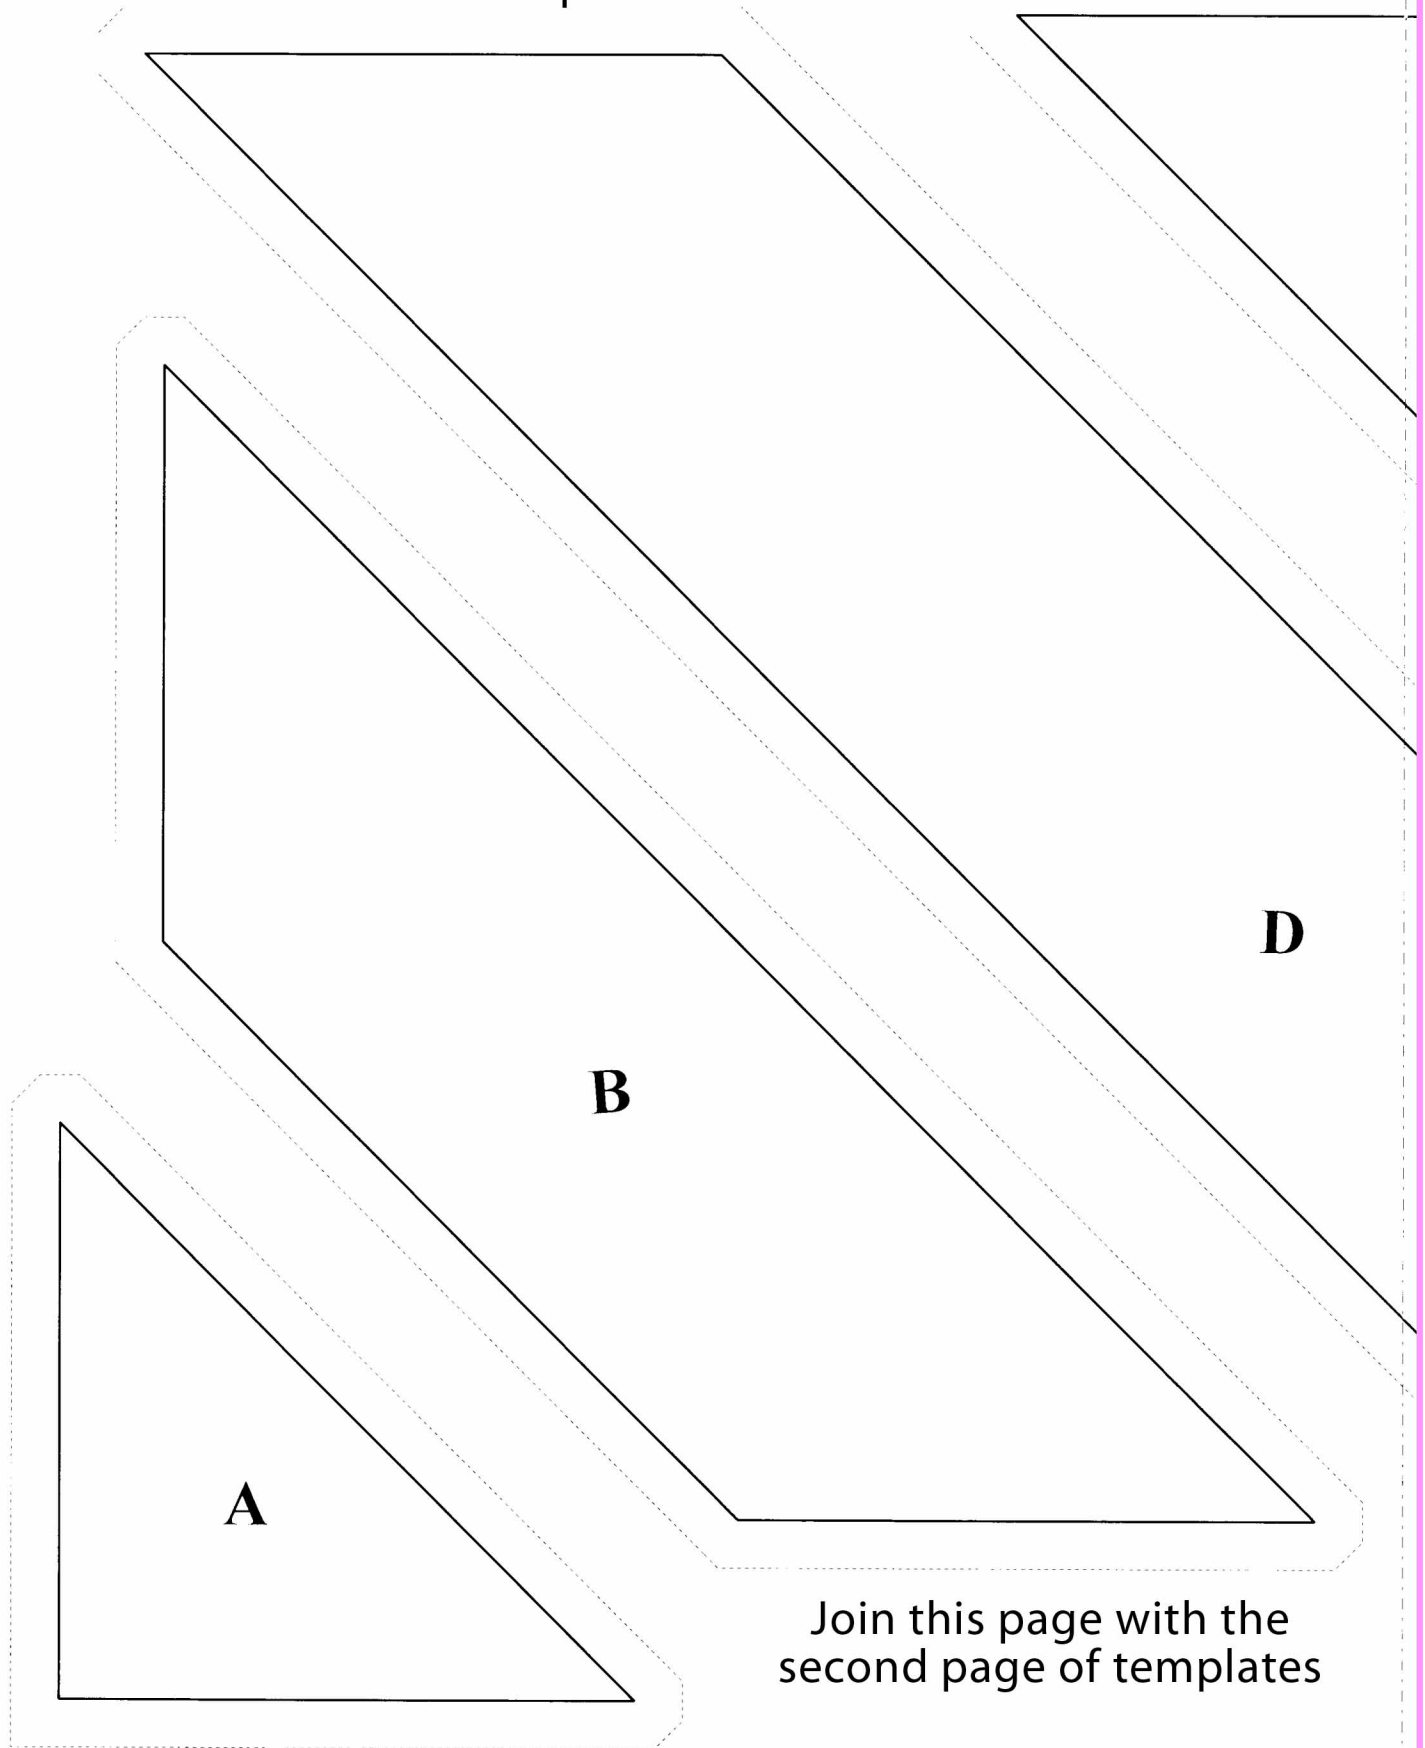

- Panel Blocks:**

Frame three sides of the panel with the 2 3/4" x 15 1/2" and 3" x 11" strips. Square the blocks.
