## Block A

Referring to the diagram, sew four dark blue pieces together with five light blue pieces to form a nine patch. Repeat to make 4.

## Block B

Referring to the diagram, sew four medium blue pieces together with five light blue pieces to form a nine patch. Repeat to make 4.

## Dressing Sue

Using a light box or window, trace the bonnet and dress pieces from the back of the Sue block. Repeat eight times. Loosely cut out the images outside the drawn line. Fuse the dresses and bonnets to the wrong side of your fabrics and cut out on the line. Remove the paper backing and fuse in place to create colorful Sue blocks for your quilt. Use a zigzag or buttonhole stitch to secure the clothes. Embellish with embroidery, if desired.

## Assembling the Quilt

2. Trim two #29916-6 border pieces to measure 28 1/2" and sew to each side of the quilt center. Trim the remaining two pieces to measure 30 1/2" and attach to the top and bottom.
