

THE QUILT

Layout the 100 squares, ten across and ten down. Once you are satisfied with the arrangement, sew the squares together in each row. Press. Sew the rows together. Press. The quilt top should measure 30½" x 30½"

Trace one branch, five leaves and one of each bird onto fusible web. Cut around each piece approximately 1/4". Press onto the wrong side of the fabrics. Cut out each piece exactly on the traced lines. Peel the paper backing and arrange on the quilt top as shown. When you are satisfied with the arrangement, press in place.
