SEWING INSTRUCTIONS:

Sew (1) A1 *pink* strip to (1) A2 *chocolate* strip together lengthwise.

Press seam toward A2. Repeat to make a second A strip set.

Sub cut strip sets into (8) 3" A sets and (4) 5-1/2" A sets.

Diagram 1

Sew (1) 3" A set to the right side of (1) 5-1/2" A set and

(1) 3" A set to the left side of the 5-1/2" A set.

Flip sets to alternate pinks and chocolates. *Diagram 2*

Repeat with remaining sets to make (4) A sets.

With the A2 *chocolate* center strip of A sets next to B square, sew

(1) A set to the right side of the B square and (1) A set to the left side. *Diagram 3*

With the A2 *chocolate* center strip of A set at the bottom, sew

(1) C fussy cut square to the left side of (1) A set and

(1) C fussy cut square to the right side. *Diagram 4*

Sew this unit to the top of the A-B-A unit created.

Repeat, flipping the A2 *chocolate* center strip of A set to

make a second C-A-C unit *Diagram 5* and sew to the bottom of the A-B-A.

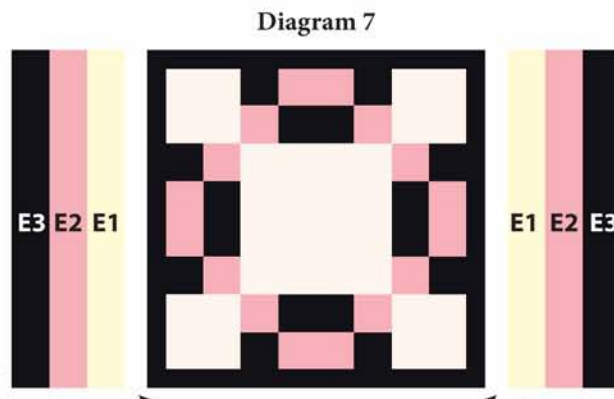

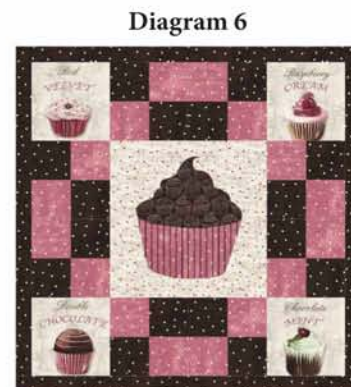

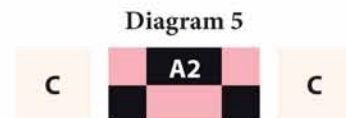

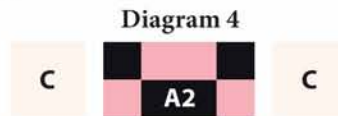

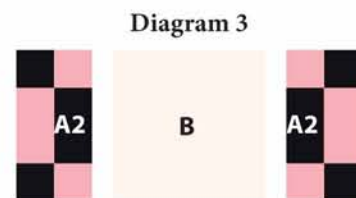

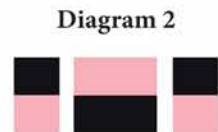

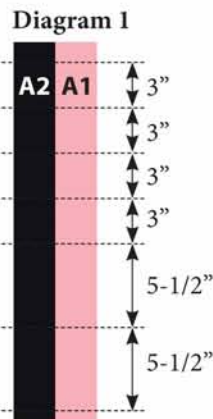

Trace the reverse image of muffin base and muffin top applique shapes separately on the paper side of a fusible web product. Cut out each piece leaving about 1" extra around the tracing. Apply fusible web with tracing on paper backing to the wrong side of appropriate applique fabrics following manufacturer's directions. Cut applique shapes out of fabric on the tracing lines. Referring to quilt image, position muffin base and top on center B square. Apply applique following manufacturer's directions. Stitch around edge of appliqué as desired. *Diagram 6*

Sew (1) D1 strip to the left and right of the quilt center, press seam toward D1.

Sew (1) D2 strip to the top and bottom of the quilt center, press seam toward D2.

Sew (1) E1 to (1) E2 strip, press seam toward E1 strip. Sew (1) E3 strip to the other side of the E2 strip, press seam toward E3 strip. Repeat to make (4) E strip sets.

With the E1 strip next to the center square on both sides, sew (1) E strip set to the right side of center square and (1) E strip set to the left side. *Diagram 7*

Sew (1) F1 strip to (1) F2 strip, press seam toward F2.

Sub cut strip into (16) 2 1/4" F strips sets. Refer to *Diagram 1*

Sew (2) F sets together, flipping one to create a four-patch square.

Press seam. Repeat to make (8) F four-patch squares. *Diagram 8*

Diagram 8

Diagram 9

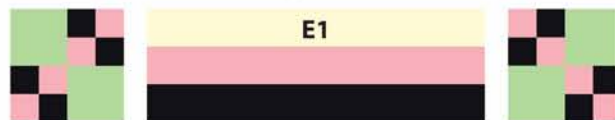

Diagram 10

Sew (1) F four-patch to (1) G square. Press seam toward G.

Repeat to make (8) F/G sets. *Diagram 9*. Sew (2) F/G together, flipping one set so pink F1 squares meet in middle of patchwork square. *Diagram 10*. Repeat to make (4) patchwork set.

Diagram 11

With E1 strip at the top, sew (1) patchwork square set to the left

side of E strip set and (1) patchwork set to the right side of the E strip set. Be sure pink/chocolate four-patch of patchwork set is at the top next to the E1 strip on both sides. Sew this set to the bottom of the center square unit. *Diagram 11*

Repeat to make a second patchwork-E-patchwork unit. Flip over so E1 strip is next to center unit and sew to the top of center unit. *Diagram 12*.
