## Fabric B

You will need a template to cut (20) 6 1/2” squares.

First, cut a 6 1/2” template being careful that the diagonal lines in the fabric are 45 degrees from one corner to the opposite corner.

See Diagram I

Use the template to fussy-cut 19 additional squares. Make sure to match the diagonal lines in the fabric exactly to the template. See Diagram II

Diagram I

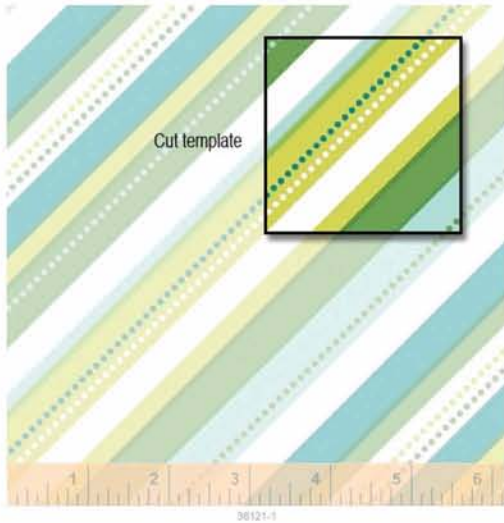

Diagram II

Sub-cut each of the (20) squares in half from corner to corner using the 45 degree diagonal lines in the fabric as guides to create (40) triangles.

See Diagram III

Use (16) matching triangles to form (4) matching diamond blocks. Use an additional (16) matching triangles to form (4) additional matching diamond blocks and (2) half diamonds. See Diagram IV

Finish all (8) full diamond blocks by trimming each to 8 1/4” square. The remaining half diamonds will be used to complete Unit I and the final row of the quilt. see Diagram V

Sew together end to end.  
Sub-cut (2) 56" strips.

Fabric G

Cut (2) 16 1/2" x 31" blocks.  
Sew together to create one large 16 1/2" x 61 3/4" block.

Fabric H

Cut out letters from Fabric H using method of your choice.

Binding

Use binding method of your choice.

## Connecting the Blocks

Use 1/4" seam allowances throughout.

### Step 1:

Join Fabric A triangle to finished Fabric B diamond and then join to Fabric C triangle. Repeat as shown in Diagram V - Unit 1.

### Step 2:

Select (5) Fabric C triangles and (5) Fabric D triangles. Join triangles together to form a row. Cut (1) Fabric C triangle in half and attach to each end of the row as shown in Diagram V - Unit 2.

### Step 3:

Join Fabric E strips to Fabric F strip as shown in Diagram V - Unit 3.

### Step 4:

Attach “TEA TIME” letters to finished Fabric G block, using double-sided fusible web or appliqué method of your choice. See Diagram V - Unit 4.

(This step can be postponed until entire quilt top is complete to ensure letters are centered properly.)

### Step 5:

Repeat Steps 1-3 to finish the quilt. See Diagram V.
