Betsy Olmsted

Designer Spotlight:

Betsy Olmsted is a celebrated artist whose work captures the beauty of nature with a contemporary twist. Specializing in watercolors, gouache, and ink, her designs are rich with organic themes, blending delicate florals, whimsical animals, and vibrant color palettes. Her artistic process is deeply influenced by her rural Pennsylvania roots and her surroundings in Saratoga Springs, NY, where she works from a restored Victorian stable.

Forest Fruits:

Forest Fruits by Betsy Olmsted brings the magic of the forest to life with her signature illustrations of wild berries, dormice, snails, mushrooms, and blooming flowers. This enchanting collection blends natural charm with a soft, vibrant palette, offering endless possibilities for quilting and creative projects.
