Jennifer Lambein

DESIGNER SPOTLIGHT

Jennifer has been in the art and design business for over 20 years. She simply can't remember a time when she wasn't creating. Being fortunate enough to grow up surrounded by other creatives, Jennifer was encouraged to focus on and grow her passion. She never knows exactly how a creation will end up, but that's the authentic and beautiful surprise of it all. Some of Jennifer's favorite mediums are: Watercolor, acrylic, marker, pen-and-ink, graphite and colored pencil. She also adores Photoshop and collage work. Jennifer's goal and purpose is to pass on the joy, comfort, inspiration and positive thoughts she puts into each unique design she creates.

SHINE ON

"Never forget how wildly capable you are when creating straight from the heart. Happy colored birds, butterflies, dragonflies and wildflowers dance whimsically with quotes sure to inspire and uplift. Richly complex, yet fancifully fun, this collection brings all the good feels and positive vibes! And remember, you're always the most beautiful being yourself. Shine on!" ~Jennifer
