CASSANDRA ZANIBONI

DESIGNER SPOTLIGHT

Cassandra Zaniboni is the newest member joining the Windham Family, thrilled to share her debut collection, *Willow Bend!*

Living among the towering pines and serene rivers of Central Oregon, Cassandra is a Surface Pattern Designer, educator in the industry, and former Interior Designer inspired by the flora, fauna, and rugged landscapes of the Pacific Northwest. Her work unfolds whimsical narratives within each piece, showcasing a deep appreciation for texture, pattern, and nature's hues. Through a creative process that balances organic shapes with playful, sketchy motifs, Cassandra brings her creative spirit to life through fabrics, wallpapers and more.

WILLOW BEND

The *Willow Bend* collection draws inspiration from the adventurous spirit and rugged landscapes of the Pacific Northwest, blending deep hues from the forest with muted, sun-washed tones, wild florals, and woodland creatures. Available in Cedar and Sage colorways.

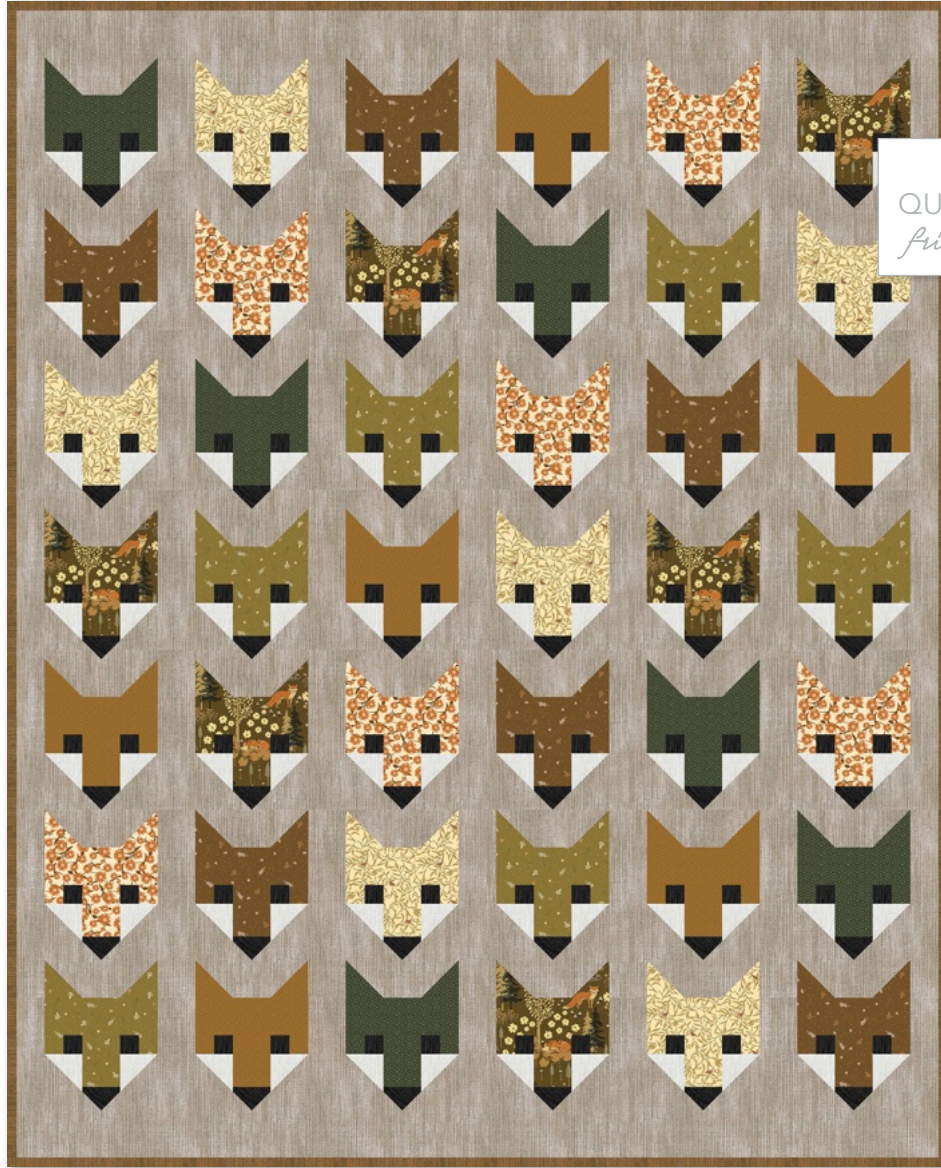

Simply made with the Wildlands Whole Cloth print!
